Last night, Debbie and I attended the Moorpark Club's installation. It was the last of ten installations we have attended in about the past month. It made for a busy month for us, but it was so rewarding to experience first-hand the special differences between our home clubs. I learned so much from each of your clubs in the process, and it was so inspiring to hear Debbie remind each club of their achievements this past year. Thank you all for having us along. And I look forward to making the same rounds with Ute Van Dam next year. (So let's get working on those achievements!)

I want to again thank Debbie Heaslip for doing an amazing job as our Lieutenant Governor last year, and for agreeing to stay on as my secretary this year. I have a full life and I would not have been able to take on this commitment without her help. With her help – and with yours – I am looking forward to a great year in Division 42.

I am a person who needs to get out of my own head and get into helping others every now and then. That's why I joined Kiwanis, and that's why I stayed in Kiwanis. It is such a treat to spend time with like-minded folk who enjoy each other's company, and who also understand that service to others is one of the keys to happiness. This is also why I am so excited about our upcoming year.

We are finally allowed to meet again, to get out in our communities again, and hopefully to again be of maximum service to the children and others in need in our communities.

One of the things that I am most excited about is our divisional signature project. Homeless kids are especially vulnerable, often due to problems with their parents. By supporting Noah's Anchorage in the Santa Barbara area and School on Wheels in the Ventura area with specific items, we can make a major impact on the lives of these kids. I hope all our clubs will take up collections or otherwise contribute from the list of items these organizations need.

I am also very excited about your upcoming Kiwanis One Day pre-Thanksgiving food drives, and about our ongoing support of KidSTREAM as they near an exciting phase of their development. I think the pre-Thanksgiving food drives will help us kickstart a great service year, and it looks like KidSTREAM will need some help from us next summer, perhaps to put a nice service-oriented bow on top of a great year.

Thank you for entrusting me with the Lieutenant Governor job this year, and thank you for continuing to step up to help me get the job done. Please don't hesitate to reach out to me directly at [sayyes2service@gmail.com](mailto:sayyes2service@gmail.com). And remember, when an opportunity to be of service arises, you can say, "yes," or you can say something else. Please continue to say, "YES!" to service!

*Matt*

At our Club Installation we also celebrated our 55th Anniversary. We invited some of our past members, and we had so much fun that two of them rejoined.

A collage of past events

On Sunday, Oct 10, the Turquoise Div. KIWIN'S held their Training Conference. Twenty-five very enthusiastic KIWIN'S took part in workshops on Leadership, Public Speaking, making necklaces out of small rubber bands, and decorating - then eating - Halloween cookies. This event was three hours of education and fun. Our future will be in good hands.

Our Key Club at Rio Mesa HS has started the year at full speed making dog toys for the animal shelter, and writing cards to send to the elderly. They are also signed-up to help the Recreation and Parks District with their Halloween Night and Christmas Parade.

# Conejo Valley

Roger Klausler Reporting

Debbie Heaslip and our new Lt. Governor, Matt Moore, attended our officer change-over at the home of the Stapleforads. Matt spoke about his motto for the year: "Say yes to service," the courage it takes to say, "Yes" when faced with the challenge of a significant opportunity, and the satisfaction you get in fulfilling that commitment to others. Mouthful catered dinner as twilight began. And with the sun now fully set, Tom provided the lighting that we needed to install our 2021-22 President, Sue Bartley, who succeeds Sheromie Vittachi.

# Moorpark

Ute Van Dam Reporting

**Moorpark Kiwanis Club members helped Builder's Club students, staff, and parents plant "Mrs. Snyder's Garden" in memory of a beloved teacher at Campus Canyon College Preparatory Academy.**

**Our 5th annual Poker Tournament was a great success! Enegren Brewing Company generously donated their venue for our winning event. Big thanks to all our sponsors and prize donors!**

**The next round of the Moorpark Military Banners has been installed on Tierra Rejada. Our club is in charge of this awesome tribute to our active military members.**

**Moorpark Key Club members volunteer at the Frederick Michael Gibson Walk/Run sponsored by the Free Health Clinic in Simi Valley.**

**Hueneme High School KIWIN'S volunteered at Alzheimer's Walk in Oxnard on September 27. Members and friends of Kiwanis and other community members joined Oxnard Secretary TinaMarie and President Clarice Couey-Mapanda's personal team in support of the event.**

**Oxnard Kiwanis donated a few more no-sew blankets to the Ventura County Foster Care program.**

## More from our Installation

(L - R) Sharon Roth from the Santa Barbara School District received a Community Service Award. Ed Cue was named Kiwanian of the Year for his great service to our youth. Outgoing President Jordan Robinson was presented with a basket of home-grown veggies and a restaurant gift certificate.

At Nancy Butterfield's first meeting as President, our den mother, Anita, who keeps us all on point, welcomed Tom Reed as our newest member. She is presenting him with our 100-year anniversary shirt. He is excited!

Pete Georgi and his wife Ruth with Nancy Butterfield at our Buckles 'n' Brews fest. It's Western, not Oktoberfest, Pete!

Alma, Laura, Orlando, Nancy, Bill and Anita doing the Polar Plunge to raise money for Special Olympics. Alma got to wear the chicken bracelet!

At his first DCM, new Lt. Gov. Matt Moore presented retiring LTG Debbie with the Kiwanian of the District Medallion.

# Santa Susana

Debbie Heaslip Reporting

## CLUB INSTALLATION

Lt. Governor Matt Moore joined Santa Susana for lunch and the installation of our 2021-22 Board.

President Margaret Sigurdsson and Board Member Judy seemed to be having fun.

## FUN GETAWAY

Margaret, Judy, and Debbie made a trip up to the Salinas Rodeo.

Margaret and Judy dressed for the part. It wasn't just for fun; we were scouting out a fundraiser idea.

## In True Kiwanis Style

When regular helpers Judy and Margaret were out of town, President and good friend Lorraine Erickson, of the Simi Valley Club, chipped in to help Santa Susana members Katie and Debbie pack up our Chicken Fajita dinners for the Samaritan Center. How cool is that?

The **October DCM** started the year off in great style. Members Judy and Katie manned the Raffle Tables and proved their sales technique.

## MEETING IN THE PARK

As a service project during our meeting, Club members and Friends of the Club John and Marian put together 50 Halloween Treat Bags.

As part of the Division Signature Project, these bags will be delivered to School on Wheels for 5-12 year-olds dealing with homelessness.

## They Request; We Deliver!

Past President Nellann and Harry Wilson drop off cores from toilet paper and paper towel rolls at the Moorpark Zoo. These are used to entertain the monkeys. They are filled with food, sealed, and given to the monkeys to figure out how to get the food.

Our members are donating diapers and wipes for the Samaritan Center, our local homeless shelter. Our first delivery totaled 20 diaper and 19 wipes packages. We're also still making blankets for foster kids.

Member Donna Smith has become known at Royal High School's snack bar as "the doughnut lady." Before home football games, Donna picks up and delivers from 70 to 120 dozen of the Krispy Kreme goodies!

Holiday greetings from our club mascot, Lazlo!

# Thousand Oaks

John Prescott Reporting

President and CEO of the Greater Conejo Valley Chamber of Commerce, Danielle Borja, and Chamber member Rick Lemmo made a surprise appearance at the Thousand Oaks Club's October 6 meeting. They had come to announce and celebrate that our (barely) Immediate Past President Craig Burns would be honored as "Volunteer of the Year" by the Chamber at its upcoming gala. Craig's wife Denise was part of the surprise as well. Besides his many contributions to our Kiwanis projects, Craig is very active in other volunteer activities, principally those that serve our Veterans.

The Thousand Oaks Club not only fielded a team in the American Cancer Society's local Relay for Life last month, but also provided a pancake breakfast for participants. Kiwanian and survivor Norm Tardif and his wife Modestine helped carry the banner (the two in the center of the photo) on the opening lap; Mike Mathews, Dave Biedebach, Tom Skinner, Don Christie, and Bob Engler did the cooking chores. Gloria Dyok, Sherrill Hyink, and Sharon McMahon take a rest after their relay legs. The Thousand Oaks Relay was a big success, earning more than \$57,000, of which \$2,851 was turned in by our members.

Thousand Oaks members gathered last month at Conejo Creek North Park on a beautiful day for a luncheon and the annual "changing of the guard." Outgoing Lieutenant Governor Debbie Heaslip presided over the de-installation of the 2020-2021 officers and Board, and incoming Lieutenant Governor Matt Moore did the installation honors for the new leadership team. Pictured above are Debbie and Matt with incoming President Aaron Kitzman; Kiwanian of the Year Mary Sepe (who is also our President-Elect) receiving her award from outgoing President Craig Burns; Matt with incoming Vice President Paul Lopez and outgoing Immediate Past President Steve Weiss with Debbie; Aaron handing Craig his outgoing President gift; and Matt and Aaron ready to begin a new Kiwanis Year. The club also presented a Distinguished Service Award to Sherrill Hyink.

# Division 42 THE HUB

## Region 10 Fall Event Update

We will have the opportunity to hear both (so far there are two) of the declared candidates for next year's election for the CNH Governor-elect position. This will be an informative and entertaining program, and Trustee Steve Click promises it will be over at noon.

A registration form is available among the flyers at the end of this newsletter. There will be a \$2 fee for each participant. We'll work out a way to get those fees from the participants to the division to the trustee. If anyone wants to kick in \$20 to help 10 people attend, that would be great. Check with LTG Matt about that.

In the mean time, Steve asks the following. "What are the two HOT topics you would like included in this short event? No guarantees, but I will see what I can do. Also, please send me contact information for the gurus (upcoming leaders?) in your division that could briefly speak and/or moderate a breakout room on any of these topics:

- \* K-Kids and Builders Clubs sponsorships,
- \* Information on establishing and governing (club) foundations,
- \* Expanding membership opportunities (e.g., corporate, inclusiveness, etc.),
- \* New service opportunities in a Covid world,
- \* Successful club leadership succession planning."

## First Family's Focus

Each year, Cal-Nev-Ha Kiwanians have the opportunity to support a project by the Governor's spouse or family. This year's focus is to support initiatives that help young people attain the [mental health](#) services they need. We are calling this the First Family's Focus: "Growing Healthy Hearts and Minds." Your gifts to the First Family's Focus will provide grants to our Kiwanis Family clubs, enabling them to address this critical need.

Did you know that one in five Americans are affected by mental health conditions? Mental health conditions affect a person's thinking, feeling, behavior, and/or mood. Depending on the severity of the conditions, they can deeply impact the person's day-to-day living and their ability to relate to others.

These conditions are important to talk about, but the stigma against mental health can be toxic and prevent these important conversations. This stigma creates an environment of shame, fear, and silence that can prevent people living with mental health conditions from seeking much needed help and treatment. People can feel alienated and be perceived as dangerous and irresponsible. Moreover, they are less likely to be hired, and more likely to be criminalized than offered help.

Did you know that 50% of all mental health conditions begin by age 14? This stigma against mental health is even more dangerous among young people as these conditions often develop at a young age. This is even more concerning as suicide is the second leading cause of death in youth ages 15 through 24, and the tenth leading cause of death for all Americans. Ending the stigma against mental health is essential to making a difference, and the perception of mental illness won't change unless we act to change it.

Donations to the [First Family's Focus](#) will help fund grants to Kiwanis family clubs towards projects that help grow healthy hearts and minds in our communities. Kiwanis clubs can receive grants of up to \$500, and Service Leadership Program (SLP) clubs can receive grants of up to \$250. Commemorative pins are available for a donation of \$5.00 per pin. Governor Margo will have pins during the Governor's Official Visit to your division. Additionally, you may contact the CNH Children's Fund office at 909-736-1707 to order pins.

Participation in one of the categories on [this form](#) will qualify your club for a banner patch. To receive the banner patch, please complete the form and submit it to the CNH Children's Fund.

# NEWS YOU CAN USE

from the Cal-Nev-Ha Children's Fund

NOVEMBER 2021

Happy November from the Cal-Nev-Ha Children's Fund! We're grateful year-round for our donors, volunteers, and sponsors, but this month, we are especially thankful for the generosity that moves our mission forward. Without you, we couldn't build a better future for our children.

We're pleased and excited to share the news that through your generosity, more than \$107,000 in scholarships were awarded to 80 deserving Service Leadership Program members. Students like **Dalena Ong** can make their college dreams a *reality* and become our future leaders thanks to your contributions.

Your giving also allowed clubs to receive grants that focused on child safety. Read about the bike helmet give-away the **Palmdale Kiwanis club** hosted. With the help of a grant from the Cal-Nev-Ha Children's Fund, the club was able to provide 120 bike helmets to children in their community.

We give thanks each and every day to you and thank you for your unstinting support!

## MEET DALENA!

"This scholarship was able to help me reach my educational goals by contributing to my 2020 Fall Quarter Tuition at the University of California, Davis. Specifically, the Kenneth C. Ferror, M.D. Scholarship allowed me to receive Equitable Access at UC Davis, which is a program for undergraduate students, like myself, to access a variety of textbooks and course materials online.

Having Equitable Access, with the help of this scholarship, for my first quarter at UC Davis has greatly helped me adapt to college life and contributed to my personal academic success because I could utilize all of my course resources with the touch of my fingertips. Viewing the bigger picture, receiving this scholarship was meaningful in the aspect that I was one step closer to pursuing my career goal of becoming a health professional, and hopefully continuing to help others in my community like I did when I was a part of Key Club in the CNH District."
