

Dear Clients,

I wanted to personally let you know that beginning 07/01/2026, there will be a small price adjustment to grooming services of approximately 4%.

Like many small businesses, I am continuing to navigate rising operating costs, inflation, and the increasing cost of living affecting our industry and local economy. Everything from grooming supplies and equipment maintenance to utilities and business expenses has significantly increased over the last few years. This adjustment simply helps keep pricing aligned with the current market while allowing me to continue providing the quality care, time, and attention your pets deserve.

I truly value the trust you place in me to care for your dogs, and I never take that support for granted. My goal has always been to provide a safe, comfortable, and personalized grooming experience, and I remain committed to maintaining that standard for every client and pet that comes through my door.

Thank you so much for your understanding, continued support, and loyalty to my business. I appreciate each and every one of you more than you know.
