

FLYIN' LION 5K
Benefiting Littleton High School
Oct. 2, 2022

SPONSORSHIP OPPORTUNITIES

Littleton High School has a proud legacy spanning nearly 115 years. During that time, the school has earned accolades for the academic and athletic prowess of its students. Attracting students from throughout the city of Littleton as well as parts of Centennial and unincorporated Arapahoe County, Littleton has long enjoyed a reputation as a community center for the area it serves. The Flyin' Lion 5K aims to be part of that community connection.

Where does the money go?

Net proceeds from the Flyin' Lion 5K will go to the school's nearly 25 varsity sports via its Booster Club as well as to the Performing Arts through Encore. Proceeds from last year's Flyin' Lion 5K virtual race were distributed to twelve athletic teams and Encore.

What can partnership do for you?

Becoming one of our race partners provides an ideal marketing opportunity for you to reach your community. There are many levels of involvement that offer your business positive brand recognition as a corporate partner. Plus as a race partner, you are supporting an event that promotes health and wellness in your community and directly benefits your local school.

Our race this year is a way in which you can expand your reach. Because of Littleton's history and the number of still very active alums in the area, we anticipate attracting a large number of participants in the race.

Moreover, we have developed a number of ways to engage runners, walkers and supporters at a high level as we toe the start line together. Sponsors can choose from more traditional sponsorship options featuring benefits like complimentary entries and preferred logo placement on marketing materials depending on the level or we can tailor a sponsorship to fit your specific needs.
