Our story

Now entering its fifth decade, the Farmers 5000 continues to be a wonderful community event supporting Wheat Ridge High School! Over its 41-year history, the event has contributed close to \$1 million to support programs and students at the high school while bringing our community closer year after year, decade after decade. The race has evolved from a simple 5K to include food from local vendors, a fun run and hayrides for kids. No wonder the Wheat Ridge community continues to show up in force to enjoy a wonderful morning each September! In recent years, Farmers 5000 money has provided for low-income students through Christmas Angels, supported the award winning and nationally recognized STEM team, and helped students engage in work-based learning through the groundbreaking Career Explore program. Other more traditional learning opportunities such as technology, library, core and elective departments benefit also. Held annually since 1981, the Farmers 5000 continues to be the oldest fundraiser and community health event held in Jefferson County! ~

Griff Wirth, Class of 1981, Farmers 5000 Inc. VP

Who are we?

Our runners represent a well- rounded cross-section of the neighborhoods surrounding the school and beyond including Wheat Ridge, Lakewood, Golden, Arvada and western Denver.

Gender mix:

56% Female/44% Male

Age mix:

34% under 20

61% 20-59

5% 60 and over

The Elementary School Challenge

Elementary school students from the local community are welcomed to participate in the Farmers 5000 at a discounted rate. These Future Farmers, along with their families, represent a significant portion of our runners. The race provides these families with a unique opportunity to experience life on the Farm firsthand.

Community

The motto at Wheat Ridge High School is "One City, One High School." Local businesses utilize the Farmers 5000 event as a means to engage with residents in our community.

Alumni

Once a Farmer, always a Farmer. Every year, close to 100 alumni from Wheat Ridge High School gather at The Farm for the Farmers 5000, providing an opportunity to reconnect with classmates and childhood friends.

Where does the money go?

Nearly \$900,000 has been raised in the 40+ years the race has been held. Used to enhance the learning experience of the students, the funds raised have provided calculators for those students who can't afford them; robotics and fuel cell programs for the science department; updated equipment for the performing arts departments; teaching supplies for the special education department; and many other items that improve and enrich student learning.

Each department, coach and club sponsor is invited to submit a "wish list" to Farmers 5000. Because of our generous sponsors everyone receives at least a portion of their requested amount.
