Do you lead a local business that is invested in shaping a community where every child has access to food at every meal?

Your contributions will help support Community Table, one of the largest emergency food providers serving the Wheat Ridge area. Through Community Table your proceeds will help fund the Feed the Future Backpack Program, a program that provides food for Steven's Elementary school kids.

Not only support a great local cause but promote your products and services by becoming a sponsor for Wheat Ridge's only Turkey Trot. All sponsorships are tax deductible. Together we will make the biggest impact.

It's an easy way to make your brand known to many potential customers who care about the same things you do.

Pick your sponsorship tier today and get going.
