

# Stepping Stone 5K and 2.5K shortcut

Benefitting Trailhead Community

**Trailhead**  
COMMUNITY

## Sponsorship Opportunities

5K run and walk benefiting Trailhead Community

Saturday, June 13, 2026 | Clement Park, Littleton, CO

# Empower Independence. Transform Lives.

We're excited to invite you to be part of something truly meaningful! Trailhead Community and Stepping Stone Support Center are once again hosting the Stepping Stone 5K, an event dedicated to raising awareness and funds to support adults with developmental disabilities. Your sponsorship will directly contribute to providing housing, services, and opportunities that promote greater independence for this often-overlooked community. Trailhead Community offers a unique, inclusive living space in Littleton, Colo., where adults with developmental disabilities, professionals, and active seniors live side-by-side. Our 80-unit apartment complex is built with Universal Design, making it accessible to people with a wide range of abilities—without the need for specialized modifications. With amenities like a sport court, multimedia room, and 24/7 concierge services, Trailhead is more than just a place to live; it's a thriving community where residents can live safely, independently, and with dignity.

## **Building on Success**

Since 2013, the Stepping Stone Support Center has been a catalyst for change, empowering adults with developmental disabilities through life skills training, job placement, and social connections. Our success is evident in the many Stepping Stone participants who have gone on to live independently at Trailhead, showcasing the power of this integrated, supportive model.

## **Your Impact**

By becoming a sponsor of the 2026 Stepping Stone 5K, you'll help us expand these life-changing opportunities and continue to create an inclusive environment for adults with developmental disabilities. Your support will be recognized across event materials, signage, and promotions—putting your commitment to inclusion and independence front and center.

## **Join Us**

Let's work together to build a stronger, more inclusive community. Your sponsorship will not only make a difference in the lives of individuals with developmental disabilities but will also show your dedication to making the world a better place for everyone.

We'd love to have you on-board for this inspiring event. Together, we can create lasting change.

# Who are our Runners?

While the Stepping Stone 5K runners race for many reasons, many of them are there to support the staff and participants of Stepping Stone Support Center and the mission of Trailhead Community. A majority are between the ages of 20 and 40. And while most runners come from the western suburbs of Littleton and Lakewood, all of the communities in metro Denver are represented.

**Gender:** 55% Females/45% males

## **Ages:**

5% Under 20

45% Ages 20-39

10% Ages 40-49

40% 50 and over

All Stepping Stone Support Center participants and Trailhead Community residents are invited to run or walk the event. We partner with Athletes in Tandem to make sure that everyone who wants to participate can. While the timed race is a 5K, we offer a 2.5K "Shortcut" for those participants who chose to run or walk a shorter distance.

# Why sponsor the Stepping Stone 5K?

We would like to invite your business to partner with us for the 10th Annual Stepping Stone 5K to be held on Saturday, June 13, 2026 at Clement Park in Littleton, Colorado. As a sponsor, you can be part of a fun athletic event that promotes health and wellness to all in our community and supports a deserving local non-profit. We welcome the opportunity to discuss your ideas on how to structure a partnership that meets your specific needs and makes a meaningful impact on the lives of those in our community.
