2025 Taiwanese Canadian Cultural Festival

Performance Group from Taiwan – The Lovedancing Group

Lovedancing Group was established in 2010 by Li-Yin Chiu for young dance-lovers in Yilan. They insist in presenting professionalism and sociability with the mandate of “Begin with the heart, let love spread, and let the dance be marvelous”. They expect youngsters to demonstrate their hopes and dreams and share the wonderful dance art with a heart for love and dance.

Lovedancing Group is a brand-new creative dance group. The dance is blended with elements of modern life, natural beauty and humanistic emotions. It combines traditional Chinese dance with contemporary modern dance to create a fresh and diverse artistic experience. It further hopes to bring the audience a "new vitality."

For more than ten years, they have participated in various activities in Yilan County, including Luodong Yisui Festival, International Children's Folklore and Folkgames
