Former Employee Comments

"Working at Spa Daze was a very positive experience for me. I really enjoyed connecting with Jennica and found myself very inspired to work for an individual owner who is so passionate about the industry. The team is really fun and supportive. The clients are a joy to get to know and how very special it was to be a part of their progress!

So I just want to take a moment to extend my gratitude to Jennica! I see all the things she did for us to truly support us and keep the morale up. The snacks, the cleanliness of the spa, providing tools in the rooms, the side work being done for us, employee events, continuing ed, grace for callouts, payment for no-shows (the list could go on). These types of things are rare and really thoughtful and loving." - Former Therapist, Gina P

"Jennica has been nothing short of supportive to me as a Therapist, mother, and friend. She not only trusted my innate skills, as a Therapist, but also trusted my ability to learn, grow, and develop. My fellow Massage Therapists have made me laugh, helped me broaden my experience and knowledge of various massage therapy techniques, and have shown me the diversity of artful approaches to hands-on healing. I feel so blessed to have had the opportunity to be a part of the Spa Daze team. I feel lucky to have grown amongst all the wonderful humans that make up the Spa Daze family." - Former Therapist, Bethany B

"I have been impressed by how supportive and nurturing my work environment has been from day one. Having had my share of careers that were NOTHING like this (and consequently, were unbelievably stressful!), I feel especially appreciative of being in such a positive situation. When you feel like the management/ownership is truly invested in the success of their employees, along with that of the company as a whole, the energy is paid forward. Our clients are consistently and genuinely appreciative of our therapists' efforts, and even as a front desk employee, I enjoy playing a part in that outcome." - Former Front Desk Staff, Brooke C
