

FOR THE LOVE SPOTLIGHT

Meet our Founder,

Candace Kearney

Candace Kearney is the founder and tournament director. She has been certified as a referee since 2008 and has been certified as a Tournament Director since 2010.

Her passion for tennis extends to participating in USTA and ALTA adult leagues and captaining junior and adult tennis teams for two seasons. Candace is originally from Washington, DC, and has lived in DeKalb County for over 20 years. As a Spelman graduate, she earned a BA in Sociology and an MBA from Keller Graduate School of Management. She believes tennis is an excellent sport for community involvement, junior and adult recreation, athlete development, and great character traits.
