

Redeeming the Time!

A message from **Richard Jordan**,
President, Grace School of the Bible

Greetings, everyone! I'm extremely pleased and privileged to invite you and your family to our Summer Bible Conference this July. Appropriately billed as a ***Vacation with an Eternal Purpose***, this year's event includes an extensive daily dose of challenging & meaningful Bible teaching rightly dividing the word of God, plenty of opportunity for refreshing fellowship with friends old & new, and numerous engaging activities for the whole family...all making for life-changing memories. We look forward to seeing you there. And although there's nothing quite like attending in person, *all sessions will be streamed live online and then archived* for those unable to do so, at

ShorewoodBibleChurch.org

Make plans to attend or view today!
