

BLACK HISTORY MONTH AT TAKE TRIPS MES

Happy Black History Month
As we embark on this Black History Month, we must remember that which our ancestors laid bare for us.
We must never forget to be proud of who we are, where we originated from, and where we should be going.
Salute to Black folks before me
Salute to Black folks here and now
Salute to Black youth who will come after us and continue the process.

BHM FLOWERS TO YOU

The journey can and may start with just you , but the road is built for many.
Thank you Unique Morgan!

SHINE FOR BHM AND BEYOND...

Take Trips MES is working to present to the world a more holistic Black youth.
