Dear Parents:

The Board of Pastors has asked that we have each family's church affiliation information on record. This information is used to determine if families are in parish, out of parish, or non-Catholic. As part of your child/children's registration, please complete the short form below. In order to be considered a parishioner of one of the owner parishes of Opelousas Catholic, your pastor will be asked to testify to the questions below. The pastor may be calling you for a face to face interview if he feels he cannot answer honestly the questions in the affirmative. Once the signature has been received from your parish, please mail or bring this form to Mrs. Margaret Joubert.
