

‘Matchless’ Tea powders – Pure Goodness in Every Sip

What are ‘matchless’ tea powders?

- ❖ Matcha alternatives: Precision milled & Wholesome
- ❖ Truly “matchless” in terms of quality and refinement; superbly milled to preserve natural properties and then finely sifted for smoothness.
- ❖ Rooibos Matchless Origin: Cederberg , Western Cape
- ❖ Honeybush Matchless: Origin: Greater “Fynbos” biome, Western Cape
- ❖ Tea Matchless: *Assamica-based*
- ❖ Hand-selected young leaves of the plants grown in these pristine regions offer tasty, wholesome alternatives
- ❖ Rooibos and Honeybush are naturally caffeine-free and known for their unique health benefits and signature taste
- ❖ Our Green tea Matchless is on average 20% higher in Antioxidants than Japanese and Chinese matcha
- ❖ **Why should you buy Matchless ?**
- ❖ Unique, New , Tasty, Healthy OPPORTUNITES!!!!
- ❖ Did you know... When you drink tea, you probably obtain only 30% of the healthy components and taste present in the leaf? With Matchless, you get to enjoy 100%. Every time!
- ❖ There is zero waste. Isn’t that the most sustainable way to enjoy tea!
- ❖ Big on taste, sustainability and especially big on health.

How to Enjoy them

- ❖ Creamy Lattes (Hot or Iced)
- ❖ Boost smoothies with extra antioxidants
- ❖ Bubble tea – in boba or tea....
- ❖ Add to ice cream, baking, and healthy snacks... the list goes on....

The Taste

- ❖ From a refreshing, smooth, and naturally sweet and fragrant, with a gentle earthiness - to a robust kick-ass goodness. Matcha on steroids!

Why You’ll Love them

- ✓ Matchless opportunities.....
- ✓ Great taste... but with health benefits
- ✓ Rich in bioactive polyphenols and pre-biotic fibre
- ✓ Rooibos and Honeybush are Caffeine-free — enjoy anytime.... all the time.... By everyone (incl kids)
- ✓ Sustainable — nothing wasted
