

Tantric Weekend Getaway

August 20 - 22, 2021

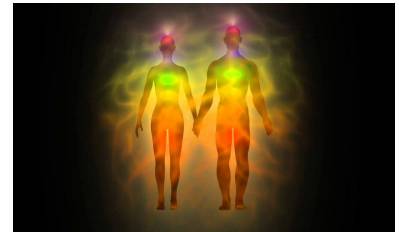

This is a wonderful way to learn and experience the transformative powers of Tantra.

Hosted by Stephanie and David Banasau - Tantra Educators In-Training

Whether you are a couple or a single, it will teach you how to use sexual energy for increased intimacy, spiritual connection, pleasure, harmony, renewal, and transformation. This weekend seminar is designed to explore our sexuality while peeling back layers of our conditioning in a safe environment. The sexual techniques have roots in the ancient Tantric knowledge and they are taught in the context of celebrating yourself, your partner, your love, and life itself. The core value making this seminar a resounding

success over and over is: when passion, love, and consciousness join together, they transform sex into a profound and loving meditation overflowing with joy and intimacy.
