President's Message September 2017

By Harvey Gerwig

We've had a great year so far, and hope for even more exciting events this year. We had a "safe" Legislature this year with no ugly, anti-gun legislation being passed and implemented. We have some very active, Second Amendment Legislators to thank for our results in the legislature, without them we would look just like California. There has been a substantial change in the leadership of the House of Representatives for the upcoming session, which begins in January 2018. We will need the help of ALL of you to combat the likely assault on our Constitutional rights. We will keep you informed of what's happening and how to testify, write letters and call your legislators and ask them to protect our precious rights.

The HRA Shooting Sports Fair was held again this year on Father's Day Weekend. We had a large crowd each day, which brought lots of smiling faces into the shooting sports. Saturday was a bit slower than Sunday because there was a water main break on the main highway leading to

the range that lasted all day, but lots of people braved the traffic and came out for a great time on the range. We were delighted to have over one hundred volunteers help us out this year, which was fortunate because we grew the event substantially over all previous events. We plan to grow the event even more next year and will need even more volunteers for many different important jobs, not just firearm instructors, so PLEASE sign up to come out and help. You will have a great time and help your association to be successful in our mission to educate the population on firearm safety and raise funds to run the organization.

For those who helped out at the Shooting Sports Fair we held a thank you shoot on the LIFE bay with competitions, run by Director Daniel Oshima, open shooting time and a nice BBQ hamburger lunch for everyone. Lots of fun and fellowship was had by all.

Sunday, August 27, was our HRA Annual Meeting, held at Koko Head Range. We all enjoyed a day of shooting our favorite firearms, visiting with friends and a nice

Friends of the NRA Gives Kaiser Air Riflery a Much Needed Boost

By Coaches James and Ann Olson

In 2015, James Olson and I (his wife) took on coaching the Kaiser Air Rifle team. We jumped in with our eyes closed and huge leap of faith. Kaiser High School did not have a team for the past two years and we were brand new to the sport. Boy, did we have a lot to learn.

As soon as we were given the keys, we took inventory. It didn't take long. One small gun safe, ten Daisy 753 Rifles, two boxes of targets and two boxes of pellets, and \$185.00 in the school's riflery account. That was it.

James got in touch with Mid-Pac Gun Club and with Yuji and Robynn Hata's expertise, he learned the basics of shooting. Dawn Horn helped out by informing us about Coaches Shooting Camp. We spent the summer making homemade rifle stands, kneeling rolls, target stands and refurbishing the Daisy's. When we opened our doors, twenty-eight students and their parents walked into our first meeting. Wow, it was overwhelming. May I add that we had no scopes whatsoever. The Hata's generously let us borrow binoculars and the team had to share amongst themselves. Crazy, right? Nonetheless, we made it through the first season with a 4-4 record for the boys and a 1-9 record for the girls. It was a great first season, our team members were real troopers and the parent support was amazing.

Before receiving the Friends of NRA grant.

After the end of the season, we applied for the Friends of the NRA grant.

Early in 2016, we were awarded \$9,995.00 from the Friends of the NRA. We sincerely cannot be more grateful. With the funds, we were able purchase rifle stands, off hand stands, kneeling rolls, scopes and yes, eight new Crosman Challengers. It was a dream-come-true moment for Kaiser Air Riflery.

As the 2016 season rolled around, with new equipment and a year of experience on the books, it was off to the races for our team. Our boys finished with a 4-4 record with an average of 100 points added to their total score.

Our girls did better than that. They improved to 4-4 as well, but added 350 - 400 points to their overall score! We also sent two star shooters, Taylor Dunaway and Landon Murai, to OIA Championships and they both qualified for States. We couldn't be prouder. We are excited to see what 2017 brings.

We have found the Air Riflery community to be extremely supportive and encouraging. Without which, we don't know how we could ever survive. A Big Mahalo to Dawn Horn, and all of the OIA and ILH coaches whom we have called in desperation. Lastly and most importantly - the Friends of the NRA for getting us to where we are now and helping us provide a solid foundation from which to develop, grow and succeed.

2016 Season after receiving the Friends of NRA grant.

President's Message

Continued from page 2

lunch, courtesy of HRA. Once again, Daniel Oshima put on a nice team competition for everyone, with nice prizes as well. We brought everyone up to speed on what was happening both locally and nationally with gun rights issues. The highlight of the day was presenting the Member of Year awards. In 2015 the award went to Daniel Oshima of Kaneohe Gun Shop. In 2016 it went to Kerry, my fantastic assistant. And, this year we had two gentlemen, who stepped up to the plate in such a significant way, that I needed to give out two awards instead of one. The recipients this year are LYLE HIROMOTO AND BRIAN WONG. Both men were responsible for the restructuring and growth of the Shooting Sports Fair this year. A huge thank you to both of them for all they do for our organization. The membership re-elected the standing Board of Directors at our meeting, as follows: Bill Richter, Daniel Oshima, Ron Livingston, Lyle Hiromoto, Chad Diaz, Brandon Leong, Cliff Goo, Glennon Gingo (Kona), Mark Genovese (Maui), Dick Hoeflinger (Hilo), Charlie Davis, Harvey Gerwig. Thank you all for taking your time to work on the Board and promote HRA.

We amended the By Laws to allow Permanent Resident Aliens to become members to of HRA. This was necessary because they are allowed firearm ownership and possession throughout the country and in Hawaii, so we wanted to welcome them to membership.

Coming up on September 16 and 17 is the DLNR Hunting and Fishing Days event at the Kokohead Shooting Complex. This event features .22 L.R. pistols and rifles, run by the HRA, center fire rifles and pistols run by various other clubs, trap, archery, and even a casting venue where you can learn to cast a fishing lure, or learn to do it better. It is an event that benefits the Food Bank of Hawaii, so bring lots of non-perishable food goods (canned goods), which you can trade in for scrips to use at all the different venues. They also accept cash if that works better for you. See you there.

If there are any of you out there that would like to get involved in a very fun shooting competition that benefits the Boy Scouts of America, mark your calendar for October 21, 2017 at beautiful Camp Pupukea on the North Shore. You can sign up as an individual or put together a team of four shooters. The event includes breakfast and a very nice steak and seafood lunch after the competition. The event includes competition in shotgun, air rifles, knife throw, archery, spear throw, .22 pistol, black powder rifle, ninja star throwing, and tomahawk throwing. There are very nice individual and team awards given out to the winners after lunch. If you are interested in competing, call the Aloha Council of the Boy Scouts and sign up. See you there.

Another fun event is coming up on Sunday November 12, 2017, and that is the FRIENDS OF NRA BANQUET. This event is an incredibly fun event to benefit the high school shooting programs on all the islands. There is a wonderful meal, live and silent auctions, lots of games and activities. The high school students help to put this event on each year and it's great to see them at work all night helping the attendees have fun. Lots of guns will be awarded to participants. The cost is a mere \$55 per person. We have reserved eight tables of ten, for a total of eighty seats. These will be only for HRA members and their guests. Please contact Kerry (itsmeksn@gmail.com) right away and reserve your seat with us. If you wait, you will not be seated at the reserved HRA tables. There are only 325 seats available at the entire event and they sell out fast. Sign up now.

Thank you for being a member of the HRA, your voice is important and our voices as an organized group are heard louder and with more power by our government.

Aloha,

Harvey Gerwig

Proudly Serving Oahu and the Big Island

By Laughlin Tanaka

June 18 and 19, 2016

Hi Shooters:

Laughlin here to welcome you back to Koko Head Skeet Club. It's been a long time since we have had the opportunity to touch bases with the shooting public. Our year has come to an end with this last official tournament of the year. It was a busy one with lots of hot weather to contend with that made shooting a little uncomfortable and we were complaining of the heat and humidity. To put it into perspective, all we have to do is think of all the people in Texas and Florida in the last few weeks and our weekend was definitely "Paradise" compared to what has happened in that part of our country. Our thoughts and prayers go out to the people who lost not only loved ones, but have so much recovery to piece back their communities and lives. I can't imagine a more devastating set of events affecting so many people and in such a short period of time. Gives one pause....

Back to the skeet annual tourney--two days of shooting, Saturday the 100 target 20 ga. event followed by 50 targets of .410, with Sunday rounding out our shooting weekend with 100 targets 12 ga. event, followed by 50 targets doubles. It was a full weekend with good participation this year.

Saturday, we had a total of 19 shooters show up for the 20 ga. and it was Chad Sims (Class AA) shooting the high score of the day of 97. We had two shooters with 93's, Eric Vanbergeijk (Class AA) and Mike Cullen (Class E). Several other shooters were right up there in the 90's.

Following the 20 ga. event we had the .410 event, 15 shooters participating. The .410 mind you is called the "experts" gauge because there is only a 1/2 ounce of shot in the shell so it can be a challenge to be proficient with the .410. We had 50 targets in this event and the high score of the day came from Tai Chong (Class C) with a 46 out of 50, who won in a shoot off against Mike Cullen with a similar score of 46. Mike went to first place after Tai, and Chad Sims came up 2nd with a score of 45. Congrats guys on job well done.

Tai Chong, .410 and doubles high overall

On Sunday we had the 12 ga. event followed by the 50 doubles. We had 19 shooters show up to do battle with the elements and each other. In the 12 ga. event we had none other than Eric Vanbergeijk come in with the high score of 98. Imagine that, only two targets lost in the 100 target event, great shooting Eric. He was followed by Chad Sims with a 97, showing great consistency as it was the same score he shot in 20 ga. Great job to the top two finishers. This was followed by the 50 target doubles and here we see a familiar face as Tai Chong came out on top with single miss to bring in the bacon at 49. Watching Tai shoot doubles was absolute smoothness and he was just the one shy to make a perfect round. Second high score of the day came from Alden Almeida (Class D) with 47. Great job guys on a job well done.

Well, now comes the part that the stats guys just love...who were the overall winners of the day. High Overall (HOA) for the tournament is the addition of the high raw scores of the 20 ga. and 12 ga. events only--and the winner is...none other than Chad Sims with both events shooting 97 for a raw score of 194 of 200. Since he was HOA he cannot place in the class categories. The next category is the High Overall Handicap winner and this is the raw score plus your handicap targets (Handicap targets for each class is Class E-12, Class D-10, Class C-8, Class B-6, Class A-4, and Class AA-2) and each person who makes a 100 total is entitled to shoot off with similar 100 handicap winners. Only one person in both the 20 ga. and 12 ga. event made handicap and it was none other than one of the old timers Neal Yoshimura (Class E)--congrats on some great shooting. For the .410 event, it was Tai Chong with HOA with a 46, followed by Mike Cullen in 1st place with 46 and Chad Sims in 2nd with a 45. For the Doubles event, it was Tai Chong again HOA with a blazing 49, followed by Alden Almeida in 1st place with 47 and Shane Nakata (Class D) 2nd place with 41. Congratulations to all the winners in each of the classes. (Please see the score sheet for the individual scores and winners of each class.)

High overall (HOA) winner of the Skeet Annual Tournament, Chad Sims

Continued on page 7

KHSC

Continued from page 6

After the shoot both days it was food and camaraderie that really makes it a fun day. It is good clean fun as we poke fun at the days targets won and of course targets lost.....we have every excuse in the books on why we miss those squirrely targets but it is correct form to do so while eating some good food and enjoying the others company. It was a fun two days and we want to thank Earle Char, President of Koko Head Skeet Club for putting on the event and making the food preparations, we want to thank Koren Wakatsuki for putting up all the scores, Mike Yoshida for pulling and scoring targets for both days and to the many other hands that made this event possible. It is the volunteerism that makes the event flow and without all of you participating it would just be a place to shoot. Thank you one and all.

FRIENDS OF NRA SPONSORSHIPS

Friends of NRA Sponsors are individuals and businesses concerned with the future of the shooting sports. They understand that worthwhile projects such as youth education, firearm training and safety, range development, and conservation efforts cannot fund themselves. For this reason, they have joined forces with Friends of NRA to raise money on behalf of the NRA Foundation, Inc., a 501(c)(3) charitable organization, to fund such projects. Contributions to The NRA Foundation, Inc. are tax-deductible to the extent allowed by federal law.
