

There are over 40 varieties of Ducks!
How many can you find?

Find animals that live in or near water.
Look for ducks, birds, fish, turtles,
snails and snakes!

Color or draw the the ones you see.

At home, research the animals you found
using books or a computer search.
Write words that describe what you saw!

First Field Guide: Ducks and Water Friends

My Name: _____

Directions for Parents & Teachers

Page 1 is the cover- front and back. Print on cardstock if possible.

Print pages 3-18 on white 8.5x11 paper. Set printer orientation to 'Landscape.'

Cut each page in half and staple all pages together.

Add stapled pages inside the cover. Staple and add painters tape to cover staples.

Bring Field Guide and crayons or colored pencils to your pond, lake, steam, river, and ocean adventures!

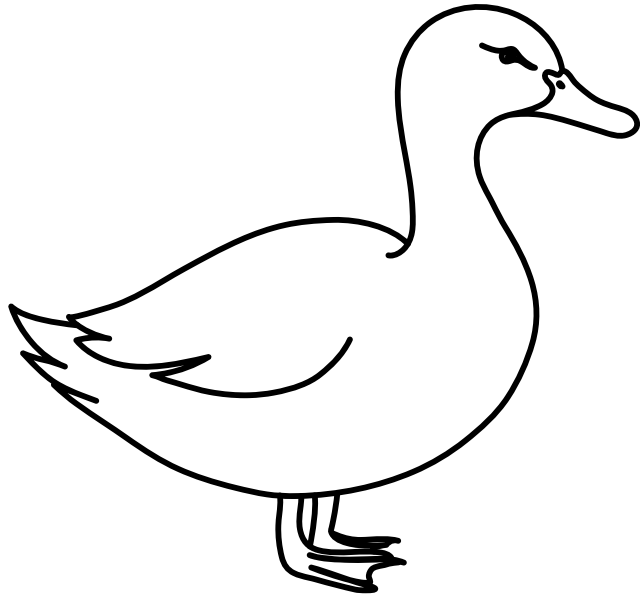

Share your child's success with me! I would love to see their books too!

Visit my website for more free downloads and to order *Dilly Duck Plays all Day* picture book, *Dilly and Friends* coloring book, *Dilly and Me: Reading to Pals* Level 1 Reader, and 6" plush!
