# **CLAY SHOOTING FUNDRAISER**

**WEDNESDAY  
MAY 13  
8AM TO 1PM**

# PULLING FOR POLICE & FIRE

Every day, the men and women of our Police and Fire Departments answer the call to serve and protect our community. They respond to emergencies, face high stress situations, and carry the responsibility of keeping Weatherford safe with professionalism and dedication.

The Weatherford Police and Fire Foundation exists to support those who spend their lives supporting others. Funds raised through the Pulling for Police and Fire Clay Shoot help provide resources that fall outside of city budgets. These include specialized equipment, advanced training, wellness initiatives, and support for first responders and their families during times of injury, loss, or crisis.

Behind every uniform is a person. When our first responders are supported, they are better equipped to serve our community with strength, resilience, and care. Your sponsorship plays a direct role in ensuring they have what they need to do their jobs safely and effectively.

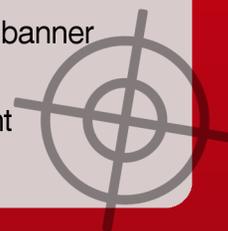

This Clay Shoot is more than a competition. It is a show of appreciation and a statement of community support. By sponsoring Pulling for Police and Fire, you are investing in public safety, strengthening our community, and standing alongside the men and women who stand for us every day.

Thank you for helping us make a lasting impact for those who give so much to Weatherford.
