Dear Trainers and Parents alike,

We'd like to start off by saying thank you all for making the Hub City Horse Shows such a success and for supporting our kids as they work to improve their sportsmanship and horsemanship. We know this sport takes lots of time, money and dedication from the riders and their support system. We can all agree, seeing the progress they make from year to year puts a smile on all of our faces.

The safety of our children and their horses is a top priority, so we're asking that students be reminded of the rules of the warm up arena. The schooling arena can be quite overwhelming and with a quick reference to what the rules are, we can help prevent further chaos and collisions.

The warmup arena on show day can get quite crowded. Please remind the extra humans and horses, not currently showing to allow riders warming up the most space to do so safely.

With the amount of splits we have in the little ring, we will not accept any adds for Sunday at the conclusion of Saturday. Please ask for a trainer print out and make any adjustments to rider entries before you leave Saturday.

We look forward to seeing everyone for the first show of the summer!!

Thanks,
HCHJA
