

THE BROKER

EPISODE 4: "THE CONTINENT"

A different world.

Africa is being used.

I didn't imagine it would feel honest.

Africa is broken.

Africa is being used.

I'm still being hunted.

Money itself was unstable.

That delling hunting.

Money itself was unstable.

Children die because people with power not feel urgency.

We want control.

We want efficiency.

This is where everything changes.

The choice had begun.
