it feel to
win?

ANGEL

It's my
proudest
moment.
To represent
America.
And to thank
God for the
miracle.

REPORTER

What
miracle?

ANGEL

I couldn't
walk.
And now
I'm here.

ANGEL (CONT'D)

"Rise... take up
your pallet...
and walk."

The room
absorbs it.

CAMERAS FLASH!

ANGEL (CONT'D)

Today is
a celebration.
Of
America.

ANGEL (CONT'D)

God.

EVOLUTION

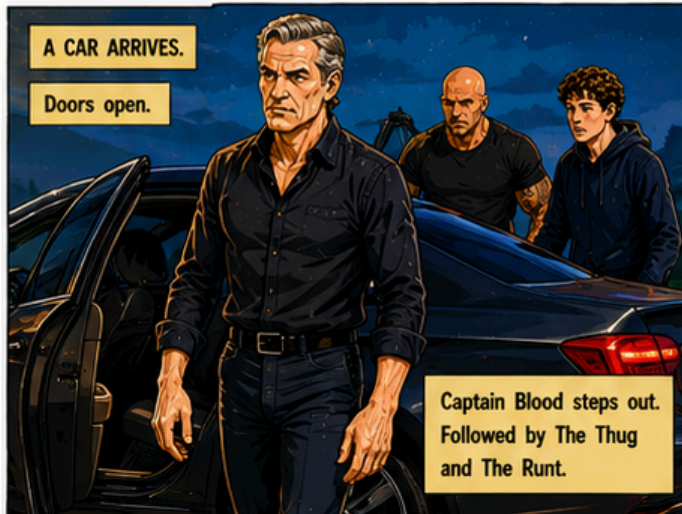

EXT. REMOTE HOUSE - NIGHT

Isolated.
No lights beyond
the building.
No movement.

A CAR ARRIVES.

Doors open.

Captain Blood steps out.
Followed by The Thug
and The Runt.

INT. REMOTE HOUSE - NIGHT

They enter
without a word.
A table. Bare.
Functional.

Captain Blood
sits at the head.
The Thug and
The Runt sit
opposite.

We have
a problem.

The
Dictator.

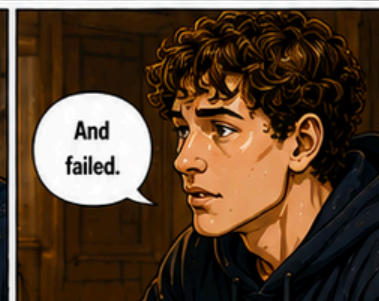

Yes.

We tried
to kill him.

And
failed.

Which
means—
He will try
to kill us.

Then
we move.

No.
**We
evolve.**

What
does that
mean?

I'm not
going back
to Ireland.
I'm
staying.

South Africa
is changing.
There will be
soldiers without
work.

**I want
an army.**

INT. CABIN – NIGHT
(PRESENT DAY)

He's building
something
worse.

Yes.

Something
that doesn't
answer to
anyone.

INT. REMOTE HOUSE – NIGHT

And you.

Yes?

You're going
to university.

Medicine?

No.

Computer
science.

Why?

Because
the next war—
isn't fought
with rifles.

It's fought
with machines.
Drones.
You'll learn
to control
them.

Machines?

You'll learn
to control them.
And use
them.

To do
what?

To hit
governments.
Without
warning.

That's
the future.

Understood.

OLD STEVEN (V.O.)

That's when I knew...

The future wasn't safer.

It was just more efficient.

THE QUESTION

EXT. QUIET GARDEN - DAY

Soft light.

A long silence.

No.

I told

thing.

Sometimes
it is.

Come with me.

We can build
something.

A life.

I'm
following.

Following what?

God.

And there's no place for me in that?

There is.
But not the way you want.

I'm asking you to choose.

I already have.

So that's it?

No.
That's the beginning.

Beginning of what?

What I'm meant to do.

And what is that?

To tell people the truth.
About what happened to me.

That's not enough.

It is.
Because it's not about me.

Then what is it about?

It's Him.
I just didn't understand it.

OLD STEVEN (V.O.)

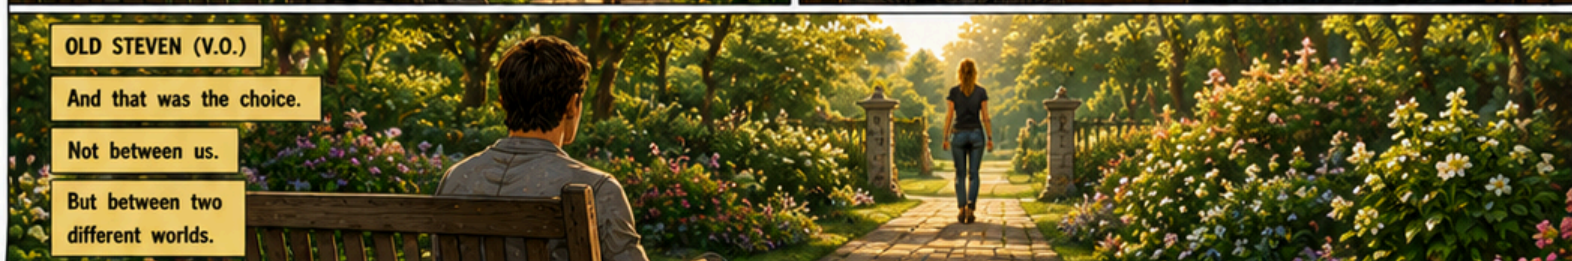

That's when I understood...
She was never mine.

INT. CABIN - NIGHT (PRESENT DAY)

Did you regret it?

No.

OLD STEVEN (V.O.)

And that was the choice.
