COLLEGE**

**ANNUAL SECURITY REPORT**

**2025**

## **Victoria Beauty & Barber College**

This report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Victoria Beauty & Barber College; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning sexual assault, and other matters. You can obtain a copy of this report by contacting the admissions office.

### **The Annual Disclosure of Crime Statistics:**

The Admission Office staff at Victoria Beauty & Barber College prepares this report to comply with the Benedicta Hernandez Disclosure of Campus Security and Crime Statistics Act. The full report is located in our administrative office and will be distributed to anyone who may make a request at any time. The students and staff of Victoria Beauty & Barber College will be notified annually of the availability of the updated report via email or memo. This report is prepared in cooperation with the Victoria Police Department. Sources of crime statistics include those reported to the Victoria Police Department and also those reported directly to Victoria Beauty & Barber College. These statistics are also submitted to the Department of Education through their web-based data collection site. All requests for the report can be emailed to [victoriabtcollege@att.net](mailto:victoriabtcollege@att.net) or requested in person.

Victoria Beauty & Barber College is an attractive and spacious facility sitting on the north side of Victoria, TX. The facility is at the busiest intersection in town. The general area is heavily patrolled by the local police department. We feel this helps to deter crime on campus.

### **Policies and Procedures:**

Choosing a post-secondary institution is a major decision for students and their families. Along with academic, financial, and geographic considerations, the issue of campus safety is a vital concern. In 1990, Congress enacted the Crime Awareness and Campus Security Act (Title II of Public Law 101-542), which amended the Higher Education Act of 1965 (HEA). This act required all post-secondary institutions participating in the Title IV financial aid programs to disclose campus crime statistics and security information. The act was amended in 1992, 1998, and 2000. The 1998 amendments renamed the law the Benedicta Hernandez Disclosure of Campus Security Policy and Campus Crime Statistics Act in memory of a student who was slain in her dorm room in 1986. The Clery Act requires higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees, and to make public their campus security policies. It also requires that crime data are collected, reported, and disseminated to the campus community and are also submitted to ED. The report is intended to provide students and their families, as higher education consumers, with accurate, complete, and timely information about safety on campus so that they can make informed decisions. The report is distributed electronically to the students and staff by October annually.

Reports that are to be included in the Crime Statistics Report will be made confidential.

Upon receipt of this report, Victoria Beauty & Barber College will determine the appropriate response, which could include disciplinary action against the offender(s), notification to the campus community, or other public safety alternatives deemed appropriate given the circumstances. If the incident is criminal in nature, local law enforcement agencies will be notified immediately. If the incident is an emergency, call 911 immediately. If a sexual assault or rape should occur, staff on the scene, including the Victoria City Police Department, will offer the victim a wide variety of services.

### **Crime Prevention & Security Awareness:**

A common theme of crime prevention is to encourage students and employees to be aware of their own security and the security of others. The following Safety Tips are distributed to new students at the time of orientation.

1. Do not allow the opportunity for a crime to occur. Avoid placing yourself in environments in which it's easier for criminals to commit a personal crime.

2. Always keep your doors and windows locked.
3. If possible, let a friend or roommate know where you are, whom you'll be with, and when you'll be back when going out.
4. Trust your instincts! If you feel uncomfortable about someone near you on the street, in an elevator, or getting off a bus, head for a populated place or yell for help.
5. Use well-lit and busy sidewalks.
6. Avoid walking alone or walking near vacant lots, alleys, construction sites, and wooded areas.
7. Carry a cell phone, whistle, or a personal alarm to alert people that you need help.
8. Lock our car doors and roll up the windows completely, even if you're only running a quick errand. Do not leave valuables in the car in plain sight.
9. If you choose to drink, drink legally and responsibly. Remember that your ability to respond is diminished by over-consumption of alcohol.
10. Stay alert at all times and call the police immediately to report suspicious activity.
11. Never leave personal property left unattended.
12. Put ICE (In Case of Emergency) in your cell phone, along with the name and telephone number of a loved one, to enable emergency services to personally contact your family in case of an emergency.
13. Listening to loud music or using your cell phone distracts you from being alert to potential safety issues. Unplug yourself and stay tuned in with your immediate environment.
14. Utilize crosswalks at all times, obey signals when at an intersection when walking.
15. When driving, be aware of pedestrians and bicyclists and yield to them when required by law.

An emergency or dangerous situation will be confirmed by the Director/Campus Security of the school prior to notifying students and staff. Victoria Beauty & Barber College will, without delay, and taking into account the safety of the students and staff, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. Evacuation of the school will take place if deemed necessary and beneficial by the Director/Campus Security. Staff members will be notified of the decision to evacuate and will be responsible for assisting in the evacuation of all students, clients, and other staff members. ## **Alcohol**

Alcohol (beer, wine, or liquor) has a high potential for physical and psychological dependence, as well as resulting in increased tolerance. Possible effects include impaired memory, slurred speech, drunken behavior, slow onset, vitamin deficiency, and organ damage. Overdose may result in vomiting, respiratory depression, loss of consciousness, and possible death. Withdrawal may include trembling, anxiety, insomnia, vitamin deficiency, confusion, hallucinations, and convulsions.

Females who drink alcohol during pregnancy may give birth to infants with Fetal Alcohol Syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are at greater risk than other youngsters of becoming alcoholics. Alcohol use is often related to acquaintance rape and failure to protect oneself from sexually transmitted diseases (STDs). Additionally, alcohol-related accidents are the number one cause of death in the 16-24-year-old age group.

Narcotics (including heroin, morphine, hydrocodone, oxycodone, codeine, and others) have a high potential for both physical and psychological dependence, as well as resulting in increased tolerance. The possible effects of using narcotics include euphoria, drowsiness, respiratory depression, constricted pupils, and nausea. Overdose may result in shallow breathing, clammy skin, convulsions, coma, and death. Withdrawals may include irritability, tremors, panic, nausea, chills, and sweating.

## **Other Depressants**

Other depressants (including GHB or liquid ecstasy, Valium, Xanax, Ambien, and barbiturates) have a potential for both physical and psychological dependence, as well as resulting in increased tolerance. The possible side effects include slurred speech, disorientation, the appearance of intoxication, and impaired memory. Overdose may result in shallow respiration, clammy skin, dilated pupils, weak and rapid pulse, coma, and possible death. Withdrawal may include anxiety, insomnia, tremors, delirium, convulsions, and possible death.

## **Stimulants**

Stimulants (including cocaine, methamphetamine, and methylphenidate) have a possible risk of physical and psychological dependence. Tolerance can develop with all stimulants. The possible side effects include increased alertness, excitation, euphoria, increased pulse rate and blood pressure, insomnia, and decreased appetite. Overdose may result in agitation, increased body temperature, hallucinations, convulsions, and possible death. Withdrawal may result in apathy, long periods of sleep, irritability, depression, and disorientation.

## **Hallucinogens**

Hallucinogens (including MDMA, LSD, Phencyclidine, and others) are less likely to result in physical dependence, with the exception of phencyclidines and analogs, and vary in terms of

psychological dependence, ranging from none to moderate (MDMA) to high (phencyclidine analog). Tolerance can develop. Possible side effects include heightened senses, teeth grinding, and dehydration (MDMA and analogs), and hallucinations, altered perception of time and distance in other types of hallucinogens. Overdose may result in increased body temperature and cardiac arrest for MDMA and more intense episodes for LSD. Some hallucinogens may result in muscle aches and depression when in withdrawal (MDMA) or may result in drug-seeking behavior.

### **Cannabis**

Cannabis includes marijuana, tetrahydrocannabinol (THC), and hashish or hashish oil. It may result in moderate psychological dependence with THC, resulting in physical dependence. Tolerance can develop in all forms. Possible effects include euphoria, relaxed inhibitions, increased appetite, and disorientation. Overdose may result in fatigue, paranoia, and possible psychosis. Withdrawal may occasionally result in insomnia, hyperactivity, and decreased appetite.

### **Crime Prevention and Safety Awareness Programs**

Victoria Beauty & Barber College engages in comprehensive educational programming consisting of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention campaigns for students and employees. These and other programs are available upon request and are presented throughout the year to students and employees on campus.

Crime prevention officers address classes or groups in crime prevention. Victoria Beauty & Barber College has developed an annual educational campaign consisting of presentations and the distribution of educational material to new students; participating in and presenting information and materials during new employee orientation; and presenting programs throughout the year.

### **Victoria Beauty & Barber College definition of Domestic Violence, Dating Violence, Sexual Assault, and Stalking**

Victoria Beauty & Barber College prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking (as defined by the Clery Act) and reaffirms its commitment to maintaining a campus environment that emphasizes the dignity and worth of all members of the College community.

Domestic Violence includes actual physical abuse, an attempt to harm another, placing another in fear of imminent, serious, physical harm, or causing another to engage in sexual relations by force, threat of force, or duress.

**Examples of behaviors that may constitute domestic violence include the following:**

- Hitting, punching, pinching, slapping, or choking someone with whom the person is intimately involved.
- Violating a protective order
- Harming a person's animals or children while in a dating relationship.

**Examples of behaviors that may constitute dating violence include the following:**

- Taking away a person's cell phone during an argument to prevent the person from calling a friend or the police for help.
- Threatening to do self-harm if another does not do what is said.
- Threatening to physically assault someone the individual is dating if the person does not do what is said.

**Sexual Assault includes:**

**Non-consensual Sexual Intercourse (or attempts to commit the same)** is defined as any intentional sexual touching with any object or body part that is without consent and/or force. Sexual contact is defined as kissing or touching another's intimate parts. Intimate parts are a person's groin, buttocks, mouth, or breasts.

**Non-consensual Sexual Intercourse (or attempts to commit the same)** is defined as penetration of a person's vagina, anus, or mouth with any object or body part that is without consent and/or by force.

**Examples of behaviors that may constitute sexual assault include the following:**

- Having sex with a mentally or physically incapacitated person.
- Forcing someone to perform oral sex on you or another.
- Touching someone's breasts without consent.
- Putting your intimate parts on or in another without consent.

**Stalking** is when an individual engages in a pattern of conduct or series of acts on more than one occasion directed at a specific person, which seriously alarms or annoys that person and would cause a reasonable person to suffer substantial emotional distress or fearfulness for his/her safety or the safety of his/her pets or family members.

### **Consent & Incapacitation:**

To consent means to outwardly express agreement for sexual activity. Consent can be a verbal “yes.” It can also be demonstrated non-verbally, with actions that clearly tell the other person that she/he is willingly and freely engaging in sexual contact. Consent cannot be inferred through silence or lack of resistance. Consent to one activity does not constitute consent to other sexual acts. Past sexual activity does not constitute consent for future acts. If, at any time, consent is uncertain, the initiating party should stop and obtain verbal consent. Consent can be withdrawn at any time.

A person who is incapacitated for the purposes of this protocol is one who is not legally able to give consent because they are mentally or physically helpless and may not be aware sexual activity is occurring.

A person is mentally or physically incapacitated when they have consumed alcohol and/or drugs, legal or illegal, voluntarily, or involuntarily, and are in a state where a reasonable person would believe that they are unable to make reasonable judgments or render self-care. Incapacitation includes, but is not limited to, being highly intoxicated, passed out, or asleep. When incapacitation occurs due to alcohol or drug use, indicators of incapacitation may include the following:

- Slurred speech
- Bloodshot or unfocused eyes
- Unsteady gait, needing assistance to walk/stand
- Vomiting
- Outrageous or unusual behavior
- Concern expressed by others about the individual
- Expressed memory loss or disorientation

An individual may also be in a state known as a “blackout” where they are also incapacitated, and while they may appear to give consent, they do not actually have conscious ability to do so. Therefore, it is of particular importance that any two people engaging in sexual activity know the other’s level of intoxication prior to beginning sexual contact. The standard that should be applied is whether or not a reasonable person would have known, based on the facts and circumstances presented, that the other party was incapacitated and therefore, not capable of legally consenting. As to the accused, being under the influence of alcohol or drugs is never a defense to this protocol and does not excuse sexual misconduct.

### **Bystander Intervention**

Bystander Intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate

violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Bystander intervention is a philosophy and strategy for the prevention of various types of violence, including bullying, sexual harassment, sexual assault, and intimate partner violence. A bystander who witnesses the conditions that perpetuate violence has the choice and power to intervene. Stepping in can stop violence and/or potential injury and can keep someone from becoming a victim. Interventions don't have to be dramatic, but can be asking a friend to leave a party with you, redirecting a conversation, or interrupting an incident. Bystander intervention includes walking a classmate to his/her car after class, not leaving an overly intoxicated person in a bar/party alone, not leaving an unconscious person alone, intervening when someone is being degraded or emotionally abused, and calling the police when a potentially violent situation is unfolding. Positive bystander behavior plays a powerful role in creating an environment free from sexual violence.

Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are okay.

- Confront people who seclude, hit on, attempt to make out with, or have sex with people who are incapacitated
- Speak up when someone discusses plans to take sexual advantage of another person
- Believe someone who discloses sexual assault, abusive behavior, or experience with stalking
- Refer people to resources listed in this document for support in health, counseling, or with legal assistance

## Risk Reduction

Risk Reduction is defined as options designed to decrease perpetration and bystander inaction, increase empowerment for victims in order to promote safety, and help individuals and communities address conditions that facilitate violence. While you can never completely protect yourself from sexual assault, there are some things you can do to help reduce your risk of being assaulted. To reduce one's risk of sexual assault or harassment, the strategies below were taken from Rape, Abuse, & Incest National Network, [www.rainn.org](http://www.rainn.org).

Avoid dangerous situations by doing the following:

- **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get **out of a bad situation**.
- Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
- **Walk with purpose**. Even if you don't know where you are going, act like you do.
- **Trust your instincts**. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
- **Try not to load yourself down** with packages or bags, as this can make you appear more vulnerable.
- **Make sure your cell phone is with you** and charged, and that you have cab money.

- **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
- **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.

### **Programs to Prevent Domestic Violence, Dating Violence, Sexual Assault, and Stalking**

Victoria Beauty & Barber College engages in comprehensive, intentional, and integrated educational programming, initiatives, strategies, and campaigns intended to prevent domestic violence, dating violence, sexual assault, and stalking that:

- a) are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research or assessed for value, effectiveness, or outcome; and
- b) consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.

Educational programming consists of primary prevention and awareness programs for all incoming students and new employees, and ongoing awareness and prevention campaigns for students and employees that:

- a) identify domestic violence, dating violence, sexual assault, and stalking as prohibited conduct,
- b) define what behavior constitutes domestic violence, dating violence, sexual assault, and stalking,
- c) define what behavior and actions constitute consent to sexual activity in the State of Texas,
- d) provide safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander,
- e) provides information in risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks.

### **Procedures Victims Should Follow if a Crime of Domestic Violence, Dating Violence, Sexual Assault or Stalking Occurs**

After an incident of sexual assault, dating violence, or domestic violence, the victim should consider seeking medical attention as soon as possible at any local hospital in the victim's city of residence or location of the incident. Time is a critical factor for evidence collection and preservation. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted infections. Victims of sexual assault, domestic violence, stalking, and dating

violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs, or other copies of documents, if they have any, that would be useful to school adjudicators/investigators or police.

As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with campus administration or other local law enforcement agencies to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.

### **Procedures for Reporting Domestic Violence, Dating Violence, Sexual Assault, and Stalking**

If you have been the victim of domestic violence, dating violence, sexual assault, or stalking, you should report the incident promptly to the Director/Campus Security if you so desire. Other campus personnel, such as faculty and staff, may assist in reporting the sexual assault, domestic violence, dating violence, and stalking to the Police Department. If the assault occurred outside of the school, the local police department where the assault occurred should be called and may be reached by dialing 911. The College will provide resources to persons who have been victims of sexual assault, domestic violence, dating violence, or stalking, and will apply appropriate disciplinary procedures to those who violate this policy.

### **Procedures the College Will Follow When a Crime of Domestic Violence, Dating Violence, Sexual Assault, or Stalking is Reported**

Victoria Beauty & Barber College has procedures in place that serve to be sensitive to victims who report sexual assault, domestic violence, dating violence, and stalking, including informing individuals about their right to file criminal charges as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services on and/or off campus as well as additional remedies to prevent contact between a complainant and an accused party, such as academic and working accommodations, if reasonably available. ## **Assistance for Victims: Rights and Options**

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, the school will assist victims of sexual assault, domestic violence, dating violence, and stalking, and will provide each victim with a written explanation of their rights and options.

Such information will include:

- The procedures victims should follow if a crime of dating violence, domestic violence, sexual assault, or stalking has occurred.
- Information about how the institution will protect the confidentiality of victims and other necessary parties.
- A statement is that the institution will provide written notification to students and employees about victim services within the institution and in the community.
- A statement regarding the institution's provisions about options for, available assistance in, and how to request accommodations and protective measures; and
- An explanation of the procedures for institutional disciplinary actions.

## **Student Code of Conduct Special Provisions for Sexual Misconduct and Other Sensitive Issues**

1. **Advisor/Advocate:** All student parties to sexual misconduct complaints have the right to an advisor/advocate from the community to assist and support in connection with grievance proceedings. Victoria Beauty & Barber College does not disallow any advisor but does prohibit any advisor from speaking during any meeting or grievance procedure.
2. **Sexual History/Character:** All parties to a complaint have a right not to face questions or discussion of their sexual history or character unless the administrative officer decides that such information is highly relevant to determining whether the policy has been violated.
3. **Right to Know Outcome and Sanctions:** The complainant and the accused party both have the right to know the outcome and sanctions.
4. **Right to Be Informed of Complainant's and Respondent's Review (Appeal) Status:** The parties will be informed by the Director/Campus Security or his designee if any of the parties to the complaint requests an appeal.
5. **Right to Appeal:** A complainant or respondent has the right to appeal. A student shall be informed of his/her right to file a complaint with the United States Department of Education, Office of Civil Rights.
6. **Right to be Informed of Policy:** Information regarding this protocol and any accompanying procedures shall be distributed annually to school employees and students in a manner calculated to provide easy access and wide distribution, such as through electronic distribution and inclusion in major College publications. Copies of the policy and procedures should be readily available at the school's administrative offices.
7. **Right to not be Dissuaded from Participating in Law Enforcement Processes:** Victoria Beauty & Barber College encourages any victim of a crime, especially sexual assault, stalking, domestic or dating violence, to file a report with the appropriate law enforcement department. A

complainant has the right to file said report before they alert Victoria Beauty & Barber College of the allegation of sexual misconduct or after they have participated in an on-campus administrative process. The school would never dissuade a victim from seeking remedies from the criminal justice system. Director/Campus Security can assist any victim with contacting the appropriate law enforcement agency should they require such assistance.

### **Victoria Beauty & Barber College Responsibilities for Orders of Protection**

Victoria Beauty & Barber College complies with Texas law in recognizing emergency protective orders and protective orders by arresting violators of protective orders. Any person who obtains an order of protection from a recognized court of law in the State of Texas should provide a copy to the Victoria Beauty & Barber College Director/Campus Security. A complainant may then meet with Director/Campus Security to develop a Safety Action Plan, which is a plan for Director/Campus Security and the victim to reduce the risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to, escorts, special parking arrangements, changing classroom location, etc. Protection from abuse orders may be available through the county attorney, a private attorney, or through a legal aid service program. The application must be filed in the county in which you or the offender lives. There are no minimum time limits to establish residency, and protective orders are available in every county in Texas.

### **Victoria Beauty & Barber College No Contact Orders**

If the accused individual is a member of the Victoria Beauty & Barber College community, an institutional no-contact letter/order may be issued if deemed appropriate or at the request of the victim or accused. This will prohibit communication, verbally, in writing, through technology, or through third parties, between the parties. If the school receives a report that such an institutional no-contact order has been violated, the school will initiate disciplinary proceedings appropriate to the status of the accused (student, employee, etc.) and will impose sanctions if the accused is found responsible for violating the no-contact order.

### **Confidentiality**

To the greatest extent possible, the school shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary to conduct a thorough investigation and comply with applicable law. Victoria Beauty & Barber College will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law. Victims may request that directory information on file be removed from public sources by request from the Admissions and Records office.

Different people on campus have different reporting responsibilities and different abilities to maintain your confidentiality, depending on their roles at the school. Victims should be aware of confidentiality and mandatory reporting in order to make informed choices when consulting

campus resources. On campus, some resources may maintain your complete confidentiality, offering you options and advice without any obligation to tell anyone, unless you want them to. Other resources are expressly there for you to report crimes and policy violations, and they will take action when you report your victimization to them.

Additionally, personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The school does not publish the names of crime victims nor house identifiable information regarding victims. Furthermore, if a Timely Warning Notice is issued based on a report of domestic violence, sexual assault, or stalking, the name of the victim and other personally identifiable information about the victim will be withheld.

### **Adjudication of Violations**

The school's disciplinary process includes a prompt, fair, and impartial investigation and resolution process. In all instances, the process will be conducted in a manner that is consistent with the school's policy and that is transparent to the accuser and the accused. Usually, the resolution of domestic violence, dating violence, sexual assault, and stalking complaints are completed within 30-45 business days of the report. However, each proceeding allows for extensions of time frames for good cause with written notice to the accuser and the accused of the delay and the reason for the delay. School officials involved in the investigation or adjudication of domestic violence, dating violence, sexual assault, and stalking complaints are trained annually on the issues related to domestic violence, dating violence, sexual assault, and stalking, as well as how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability. Furthermore, each policy provides that:

1. The accuser and the accused will have timely notice for meetings at which the accuser or accused, or both, may be present.
2. The accuser, the accused, and appropriate officials will have timely and equal access to any information that will be used during formal and informal disciplinary meetings and hearings.
3. The institutional disciplinary procedures will not be conducted by officials who have conflicts of interest or bias for or against the accuser or the accused.
4. The accuser and the accused will have the same opportunities to have others present during any institutional disciplinary proceeding. The accuser and the accused each have the opportunity to be advised by an advisor/representative of their choice at any stage of the process and to be accompanied by that advisor/representative to any related meeting or proceeding. The school will not limit the choice of advisor or presence for either the accuser or the accused in any meeting or institutional disciplinary proceedings.
5. The accuser and the accused will be notified simultaneously, in writing, of the initial, interim, and final decision of any disciplinary proceeding; and
6. Where an appeal is permitted under the applicable policy, the accuser and the accused will be notified simultaneously in writing of the procedures for the accused and the victim to appeal the result of the institutional disciplinary proceeding. When an appeal is filed, the accuser and

the accused will be notified simultaneously in writing of any change to the result prior to the time that it becomes final, as well as of the result once the appeal is resolved.

#### **Notification to Victims of Crimes of Violence**

Victoria Beauty & Barber College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

## **EMERGENCY PROCEDURES**

### **Fire Evacuation Procedure:**

In case of fire in the school itself, or in any building that the school is connected to, the school faculty will notify all students and clients. The instructor will direct students and clients out of the building through the nearest exit in an **orderly** and **calm manner**. The receptionist, or whoever is aware of the fire, will call the fire department (911).

Advise all clients that you are not sure about the emergency but need to evacuate the building. Assure all clients that their needs will be taken care of when the faculty secures the safety of all students and clients.

All students should take their clients and help other students and clients, if need be, and proceed to the nearest exit. Students, clients, and faculty will meet at the sidewalk at the southwest corner of the parking lot. It is imperative that all students and clients go to this location so faculty can do a head count to make sure everyone has made it out of the building.

Once all students and clients are accounted for, the needs of the clients will be addressed.

### **IN THE EVENT OF EXTREME WEATHER CONDITIONS:**

Victoria Beauty & Barber College will be closed in the event of extreme weather conditions. Students will refer to the VISD's school closures and social media outlets

### **Sex Offenses and Offenders Policy:**

#### **Sex Offenses:**

A sex offense is described as any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent.

#### **Procedures for what you should do if you have been raped:**

1. If you are a victim of a sexual assault, your priority should be to get to a safe place.
2. Victims are strongly encouraged to report the incident to the local police.
3. Seek emergency medical care.
4. The victim should not change clothes or bathe before going to a hospital to preserve physical evidence that may be needed for investigation and prosecution.
5. If the victim is reluctant to contact the police initially, she/he should still seek treatment at a hospital to preserve evidence and address any health concerns. Then medical attention should be obtained.

6. Contact the Director/Campus Security at Victoria Beauty & Barber College to report the incident. Personnel at Victoria Beauty & Barber College will assist the student in notifying the local police if the student(s) request assistance.

Victoria Beauty & Barber College educates the student community about sexual assaults and date rape through (ASR) annually by October 1. The Victoria Police Department offers sexual assault education and information programs to Victoria Beauty & Barber College students and employees upon request.

The Victoria Police Department strongly advocates that a victim of sexual assault reports the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a Victoria Beauty & Barber College Staff member. Filing a report with Victoria Beauty & Barber College Director/Campus Security will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from HPD officers. Filing a report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests at no expense to the victim
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally, a victim of sexual assault should not wash, douche, use the toilet, or change clothing before a medical/legal exam)
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention. When a sexual assault victim contacts the Victoria Police Department, the Police Sex Crimes Unit will be notified as well. Victoria Beauty & Barber College Director/Campus Security will also be notified. The victim of a sexual assault investigation will be guided through the criminal justice system. Victoria Beauty & Barber College does not offer on-campus counseling for victims of sex offenses. However, there are a variety of off-campus services available, such as:

**RAINN – Rape, Abuse & Incest National Network Hotline      800-656-4673**

**Changes available at Victoria Beauty & Barber College for Victims:**

Personnel at Victoria Beauty & Barber College can assist the victim with issues, including but not limited to class schedule changes and withdrawal procedures. If the reporting student provides credible evidence that the accused student presents a continuing danger to a person or property or poses an ongoing threat of disrupting the academic process, the personnel at Victoria Beauty & Barber College may take interim disciplinary action against the accused student as appropriate.

**Rights of the Accused and Accuser:**

Report domestic violence, dating violence, sexual assault, or stalking to campus security. Any student or employee who wishes to file a disciplinary complaint may do so by contacting personnel at Victoria Beauty & Barber College. Regardless of whether law enforcement or criminal justice authorities choose to prosecute an act involving a Victoria Beauty & Barber College student or employee, disciplinary action may be imposed through a campus disciplinary proceeding.

During such a disciplinary proceeding, the accuser and the accused are entitled to the same opportunities to have others present. Disciplinary sanctions may be imposed on students or employees who commit sexual offenses on campus or in connection with Victoria Beauty & Barber College activities.

Possible sanctions to be imposed following the final determination of disciplinary procedures include suspension or expulsion from Victoria Beauty & Barber College or termination of employment. The accuser and the accused will be informed of the outcome of any disciplinary proceedings brought alleging sexual misconduct.

**Disclosures to an alleged victim:**

Victoria Beauty & Barber College, upon written request, will disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged person is deceased because of the crime or offense, the information shall be provided, upon request, to the next of kin of the alleged victim.

**Sexual Offender Registration:**

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by, institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The federal law requires state law enforcement agencies to notify Victoria Beauty & Barber College of sex offenders residing in and near the school's location. In addition, a list of all registered sex offenders in Texas is available from the Texas Department of Public Safety at <https://publicsite.dps.texas.gov/SexOffenderRegistry>. The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders. This statement is provided in compliance with the Campus Sex Crimes.

**Missing Student Notification:** Our school does not provide on-campus housing; therefore, in accordance with Department of Education and HEOA Sec 488(g) amended HEA Sec. 485 (20 U.S.C. 1092): added HEA Sec. 485(j), we do not have a Missing Person Notification Policy.

**Statistics from Local Law Enforcement Agencies:**

Victoria Beauty & Barber College will make a good-faith effort to collect crime statistics for all Clery Act crimes committed in the included geographic locations from the Dallas Police Department. Victoria Beauty & Barber College will contact the Victoria Police Department via letter, email, phone, or in person, requesting crime statistics.
