Need more information? Read our Dining Room Rug Size Guide & Round Dining Table Rug Size Guide.

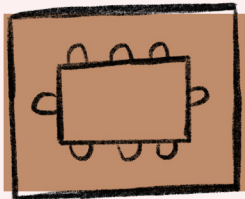

Do you have a round or square dining table? If so, you'll want a rug with a matching shape. Add three to four feet to your table's dimensions to find the right rug size.

Sizes  
6x6 | 8x8

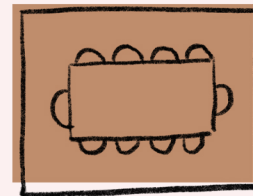

Are you working with a smaller dining area? Try a 5x8 or 6x9 rug under a four-person dining table to set the scene.

Sizes  
5x8 | 6x9

Make your dining room feel relaxing and inviting with an 8x10 rug under a six-person dining table. This works for both rectangular and ovular table arrangements.

Sizes  
8x10

A table for 8 or more chairs fits best on a 9'x12' to 10'x14' rug offering enough room for all chairs to be on the rug even when scooted back.
