Need more information? Read our Bathroom Rug Size Guide.

For a small bathroom or powder room, use a small rug just in front of the sink to add softness and personality.

Sizes  
2x3 | 3x5

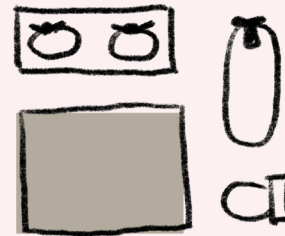

If you have a double vanity, double up your style with two small rugs in the same style.

Sizes  
2x3 | 3x5

Another option with a double vanity is to add a long runner that spans the length of the vanity.

Sizes  
2x6 runner

Have a large space to cover? Center a rug in the middle of your space--rectangular, round or squares are all great options.
