On Saturday, 01/29/23, Deputies responded to the Kings Country Club golf course located at 3529 12<sup>th</sup> Avenue in Hanford, CA, for a burglary report to the Pro Shop the night prior. Deputies determined that an unidentified suspect broke the window to the Pro Shop and stole approximately \$11,000 worth of individual golf clubs that were on display in the store.

The Kings County Sheriff's Office Ag Crimes Unit took over the investigation and determined that the suspect has committed several other similar burglaries in other jurisdictions over the past 5 years. He hit the Kings Country Club previously back in 2018, the Belmont Golf Course in Fresno in September of 2022 and the Lemoore Country Club in October of 2022. During each of these cases, the suspect would force entry into the businesses and go directly for the individual golf clubs on display while ignoring all other products/valuables within the store and never looking for the register or safe.

Attached are several photos of the suspect during each of the above cases and photos of possibly the suspect at the Kings Country Club earlier in the day. Anyone with information to help identify the suspect or possibly know of any similar cases within their area, please contact Detective James Coghlan with the Kings County Sheriff's Office Ag Crimes Unit at (559) 362-3078.
