

A graphic for the date October 18, 2024. The text "OCTOBER 18, 2024" is written in a large, bold, black sans-serif font at the top. Below the text, a row of black chess pieces is positioned on a checkered board that recedes into the distance. The pieces, from left to right, are a pawn, a knight, a king, a bishop, a queen, and a rook. In the background, behind the pieces, are large, faint, purple outlines of the same chess pieces, creating a layered effect.
