WORK EXPERIENCE

ADJUNCT INSTRUCTOR (1/2023 – PRESENT):

- Taught *Computer Graphics Imagery I, Introduction to 3D Modeling and Rendering, 3D Simulations and Effects, and Critical Discourse: Technology* at Drexel University, Kutztown University and the University of the Arts.

FREELANCE ANIMATOR/3D GENERALIST (1/2023-PRESENT):

- Animated individual scenes for a fulldome children's show (contracted by Fulldome Studio DN, Berlin, Germany)
- Designed and animated whiteboard-style 2D instructional videos for medical professionals (contracted by City Film and Media, Philadelphia, PA)
- Created a series of original 3D animations and motion graphics for a large-screen video production, celebrating the 2023 and 2024 Franklin Award laureates and their achievements (contracted by Thorne Media, Langhorne PA)

SPITZ, INC. (NOW COSM), CHADDS FORD, PA (07/2002 – 08/2022): 3D Animator

- Worked with a small but versatile team of animators to produce award-winning planetarium shows. (Total of 11 titles created)
- Participated in every aspect of show creation, from initial story brainstorming to post-effects.
- Designed scene environments using panoramic photos, photogrammetry, and 3D models.

- Animated 3D characters in our children's titles, including lip-sync and dance choreography.
- Created VFX that involved cloth simulations, rigid body dynamics, pyro FX, particles and fluids.
- Designed posters, flyers, magazine ads, web graphics and other promotional materials.
- Collated and edited educational resources to accompany our planetarium shows.
