Michael Fergo's Esquire representing himself bring forth their motion to dismiss plaintiff's amended complaint as follows Defendant **Leslie** and Michael respectfully submit this motion to dismiss in response to the amended complaint filed by all the plaintiffs This is 17 pages,

through defendant Michael Ferdigos, acknowledging that plaintiffs had not yet been served with the process Defendant's lawsuit arose after defendant **Leslie** participated in interviews regarding

ongoing federal litigation involving the plaintiff Jeremy Hills despite having no prior involvement with the plaintiffs

interview where defendant **Leslie** simply asked neutral questions um I doubt that Yeah, highly doubt that pertaining to Jeremy Hills los Jeremy Hills's lawsuit He he

Um, we have a current pending disillusion of marriage You have the federal home loan mortgage co corporation um, versus Michael and [Leslie](#) Fertoigos You have Jeremy Hails and others uh, Megan Tug and I'm not sure who else is involved in that anymore I can't

keep up Um, you have [Leslie](#) Ferto Riggos versus ABC Legal Services because she was served like the way she was served in or attempted to be served was like like

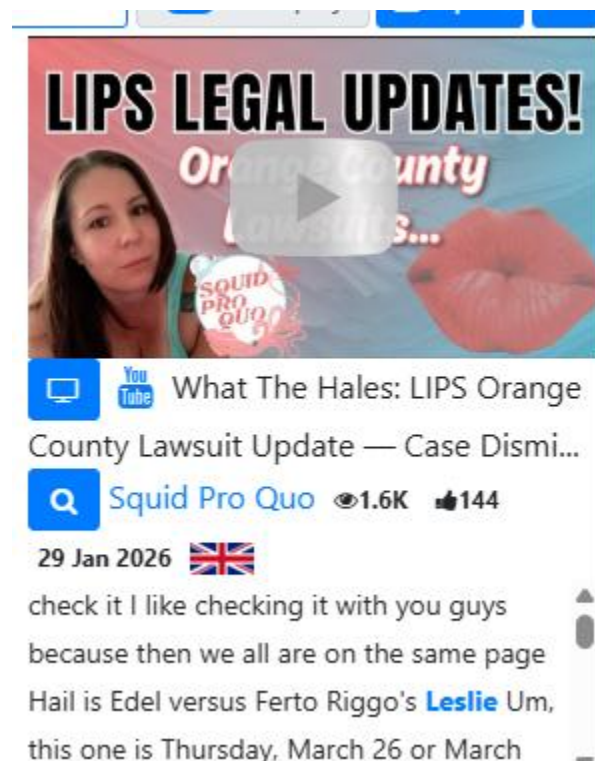

we we got to this This is in the um Federal Home Loan Mortgage Corporation as trustee for Freddy Mack versus Michael Fertogog and uh [Leslie](#) Ferrios So, we're going to share this We're going to share There we go It's better All right The one person that

sharing this and I will share the docket because this is what I see So it's Freddy Mack versus Michael and [Leslie](#) truest bank and unknown tenants So [Leslie](#) is a is a defendant in this case So the fact that like the fact that **they're avoiding service** and now

being sworn, certify that the following information is true I have made a diligent search and inquiry to discover the current residence of [Leslie](#) Ferdigos, who's over 18 The methods, activities, and undertaken to make this diligent search and inquiry are summarized below, including the searches

1010 Um, here's here's where it gets interesting Tax collector's records in area where defendant was last known to reside Search of **Leslie** Federico is completed with the Orange County tax collector returned no properties owned by the defendant So, and I know the county that's in

kind of interesting to think about Um, no property listed, who the mortgage is, paying taxes to Well, this is about **Leslie** So, this is this is all about **Leslie** So, I'm assuming that her husband is on the uh the mortgage for the property that they actually live in So

website I'm not inviting somebody I'm sharing a screen So for here, this is how easy it is You go search case records **Leslie** Pteros That's how easy it is on Orange County That simple Um, currently pending She does have these are the documents that I can
