Claiming I am evading service

2,276 views Streamed live on Nov 10, 2025 [#Bankruptcy](#) [#legaldrama](#) [#whatthehales](#)
We're back on the Drama Docket — and this week, the Petty-Verse got busy. Lynette Preston has officially filed for Chapter 7 bankruptcy, and meanwhile, Michael & Leslie "Lips" Ferderigos are allegedly dodging the process server in their Orange County foreclosure case.

1:22:44

"Someone is the exact opposite of what we've seen with other people including lips."

1:22:51

"Even though lips and Michael Ferigos were not that case that they were avoiding service,"

1:23:00

"The link between why Lips was so pissed might have to do with the fact that she can be served at work and if they know where she works, they can serve her."

1:24:12

"It was the exact opposite of other people and lips and Michael Ferigos not avoiding service, having a pair of balls, albeit they might be small and he might hide behind some immunity or some [] like that."

1:24:34

"However, he at least accepted service. Also, he lawyered up,"

1:24:47

"Which why is it only the lawyers who get lawyers? Except for lips. That's a whole another can of worms right there."
