

# Timely AI Literacy for ALL Integration Model

- Targeted Workshops for All Populations Separated by Role.
- Similar Concepts Taught in All Workshops (See AI Learning Central’s AI Literacy in Education Framework).
- Varying Applications, Perspectives, and Case Studies Based on Role.
- Delivered Concurrently; All Populations Building AI Literacy Along the Same Timeline (At Least 4 Sessions per Year Recommended).
- Curriculum Develops into Deeper Concepts Over Time Providing Opportunities for Practice in Between Sessions.
- All AI Literacy Sessions Align with the NCDPI Generative AI Guidance and are Adaptable to Any District’s Guidelines, Policies, and Expectations.
