

SUPPORT

**Montana voices
protecting water, wildlife
& communities**

It's easy & smart to give through the Change Your Place Challenge because the funds from the CYP Challenge Fund multiplies your donation.

Donations must be made through Seeley Lake Community Foundation & received between May 1-31, 2026 to be eligible for matching funds.

Donations support community engagement, education, and partnerships, building trust and stewardship to protect clean water, wildlife habitat, and the Seeley Swan/Clearwater watershed for future generations.

100% of your contribution is tax deductible.
