**Estate Grown and Bottled**
Sonoma County
Fountaingrove District

**Artisanal Production**
116 cases produced

**Composition / Bordeaux Blend**
60% Malbec • 20% Cabernet Sauvignon
• 20% Petit Verdot

**Vineyard**
Our vineyard estate sits at an altitude of 1,300 feet in the Mayacamas Mountain Range. It benefits from the cool, evening Pacific Ocean breezes and receives early morning sun as it is above the fog line. All vines are grafted on 110R rootstock. Malbec is clone 595; Cabernet Sauvignon are clones 7 and 15; Merlot is clone 3; and Petit Verdot is clone 400.

**Winemaking**
The grapes were fermented in one ton, insulated fermenters and manually punched down, by the owner, 3-4 times per day. Fermentation lasted 8-14 days and then basket pressed. The young wine was transferred to oak barrels for the completion of primary and secondary fermentation.

**Technical Data**
- Alcohol 14.6%
- pH 3.76
- TA 0.62 g/100 ml
- Malic Acid 0 mg/100 ml
- Residual Sugar 35 mg/100 ml
- Brix at Harvest
  - Malbec 25.0
  - Cabernet Sauvignon 25.5
  - Petit Verdot 25.0

**Aging and Cooperage**
Time in Barrel 22 months
New oak barrels 10%
New Barrel Composition
• American Oak 100%

**Production Dates**
- Harvest 26 Sept-12 Oct 2016
- Bottling 8 August 2018
