Faithful Navigator Message

Greetings to all my Brothers and Sir Knights. The summer is coming to an end and I hope you all had a good summer. I have to admit it may not have been the best but it is better than ten inches of snow.

Your Joseph F. Lamb Officers were installed, July 24, 2018, at Our Lady of Good Council Church with four other Assemblies. I wish to thank all last Columbian years Officers who have done a great job, but now members the new Officers have to continue on and plan this Assemblies' Columbian year, that will hopefully be with the support of our Assembly. The Assembly is only as good as the member councils it has. We had our first Officers meeting August 21 and we covered many topics of which I go over now.

I must impress upon you the importance of the Liaison which is chosen by your council to represent your council at the Forth Degree Business meeting. These men will be able to voice your questions, and concerns to the Assembly. These meetings are for Forth Degree Knights, so if you are one also you are more than welcome, maybe you can carpool and save gas. This year's meetings are in the Assembly website (www.josephflamb.org). There are events posted that other councils would like you to know about that is happening at their council.

Our first Business meeting will be at Mother Seton Council #5427 at 8 p.m., all meetings will start on time so please plan ahead. If you cannot make this meeting but have something you want heard tell your council liaison and he will talk about at the meeting for you. I would also like you to ask your council Brothers who want to join the 4th Degree to contact me or any Sir Knight member they know to get them a application through their council Liaison to get it back to the Assembly. There are two 4th Degree Exemplifications a Columbian year. The first Exemplification will be Nov. 18, 2018, this this is a combination of Exemplification & Military Ball at La Neve's banquet and catering hall. The second Exemplification is in Parsippany at the Tara Sheridan In April, date to be firmed up.

There will also be the Assembly Memorial Mass in November, date TBD. This is our way of remembering all our Sir Knights that that have passed. To end the year off we will have our PFN combined with our Christmas Dinner. This great event is to honor our PFN (Past Faithful Navigator) Sir Knight Kenneth Schmitt. And will be held at La Neve's in Haldon N.J., and ALL are welcome, you don't have to be a forth degree Knight, plus Wives children and friends are invited to share in this five stare Banquet hall dinner; don't miss this it is really great. Further information will be added to the Assembly website as time gets closer.

Well that's my first Faithful Navigator message to all. Please keep God in your minds, your lips and in your hearts.

Mike Maione

Faithful Navigator

PROTOCOL

One of the things that sets the Knights of Columbus apart from other organizations is our Protocol. Many of the Rules of Protocol that we follow were explained when we took our First Degree. Sometimes, we forget the way that we should conduct ourselves during a meeting.

The Faithful Navigator is the presiding officer during the meeting and he must keep control of the meeting. With the cooperation of the membership, the meetings can flow quickly and efficiently. If a member wishes to speak, he does so by rising from his seat, addressing the chair with "Faithful Navigator" and saluting at the same time. The Faithful Navigator will return the salute and acknowledge the member.

All questions and speech are directed through the chair.

There may be other situations that arise that are not covered by a rule. But by applying common courtesy to each other, we cannot go wrong. Finally, we should show proper consideration for the office represented by the person.
