Grand Knight's Message

Chaplain's Message

As you may know our Chaplain, Fr. Cinque is in the hospital and he is unable to write his monthly message for the Seton Call newsletter. Father has had an operation to relieve some of the symptoms of his illness.

I ask all of you to keep our Chaplain in your prayers and send in a get well card addressed to him at the rectory.

Our Lady of Good Counsel

668 Ridgewood Road

Washington Township, NJ 07676

(201) 664-6624

With your prayers I am sure Fr. Cinque will continue his journey to health.

Worthy Brothers,

I hope that you and your families are doing well. Please keep in your thoughts and prayers the family of our State Deputy, Vinnie Tavormina, who recently passed away. The acting State Deputy is Jim Stoever. Let's wish him well in his new role.

Ash Wednesday, February 17, begins the season of lent. Offer your prayers and fasting for the less fortunate.

Everyone should have received their statement for annual membership dues. Please return them to Financial Secretary Rick Hodgman at your convenience. Thank you.

The Helping Hand food pantry sent our council a thank you note for the donations from the Winter Food Drive, one of our largest food drives. This is great. It is nice to know that everyone's hard work is being recognized.

Stay Safe and God Bless,

Robert Cattabiani

Grand Knight

There are many Catholic Veterans in the residence at the Paramus Veterans Home. Several of them are disabled and need assistance in getting from their quarters to the location where the Mass is celebrated and after the Mass to return to their quarters. Members of councils in the Bergen Federation have been providing this assistance at 10 a.m. on the second and fourth Saturday of each month. More Knights are needed to provide this assistance, since the health and physical capacities of many of the long-timers precludes them from providing this act of charity.

This is an informal process, just show up at the Paramus Veterans Home and lend a hand pushing a wheelchair. Eucharistic ministers are also urgently needed.

YOUR SHIELD FOR LIFE

By the time you read this you and I have probably been working from home, sheltering in place or on lockdown for 11 months! Who would have thought it? I hope you and your family are safe and healthy.

Being at home so much over the past 11 months has been different...mostly in a good way, although I think most of us have "corona virus fatigue." We'll keep socially distant and do our part by wearing a mask, but we're tired of all the restrictions. On the home front we've had our minor squabbles, but being at home has helped me have more dialogue with my family and has taught me how precious time together is. It's taught me to slow down, consider the important people in my life and resolve to keep this attitude when the restrictions are lifted.

This is the month of Valentine's Day and being home makes me appreciate my wife even more. Whether or not you have children at home, our spouses don't get nearly enough credit for all they do. What would we do without them? In *Fiddler on the Roof*, Mama and Golde sing, "Who must know the way to make a proper home...Who must raise a family and run the home?" Of course that song about "Tradition" is the old fashioned way of looking at "the mama." That's one theme of the play; the changing roles in the family and in society. Many of our spouses have the role of breadwinner, professional, provider, business owner, etc....and manage to also make a proper home, raise the family and run the household. They are remarkable!

So don't forget that dozen roses, the heart-shaped box of chocolates, the card or the gift as a token of your love and letting her know how much she means to you.

And if you want to really let her know how much you love her, take a few minutes with me and take stock of where you are with your life insurance and disability insurance coverage. With so many spouses in the workplace, it would be neglectful to not make sure they are properly protected. Many households rely on two incomes to pay the bills and the loss of either one, to an untimely death or an illness or accident that means one is unable to work, can be devastating.

I've met with many of you over the past months and I can continue to meet virtually over the computer...everyone stays safe. The Order has equipped me to make sure I can properly meet and service all my assigned brother knights and their families.

Let's spend a few minutes together and make sure everything is in place for the ones you love.

Fraternaly yours,
Michael Fischer

The Seton Call

PROTOCOL

One of the things that sets the Knights of Columbus apart from other organizations is our Protocol. Many of the Rules of Protocol that we follow were explained when we took our First Degree. Sometimes, we forget the way that we should conduct ourselves during a meeting.

The Grand Knight is the presiding officer during the meeting and he must keep control of the meeting. With the cooperation of the membership, the meetings can flow quickly and efficiently. If a member wishes to speak, he does so by rising from his seat, addressing the chair with "Worthy Grand Knight" and saluting at the same time. The Grand Knight will return the salute and acknowledge the member. All questions and speech are directed through the chair.

There may be other situations that arise that are not covered by a rule. But by applying common courtesy to each other, we cannot go wrong. Finally, we should show proper consideration for the office represented by the person.

K of C Car Magnet

Mother Seton Council has ordered a quantity of car Magnets with the K of C logo and the 4 points of the Order. The magnet is produced in full color and designed to be placed on the car. Cost is just \$5.00 per magnet. The magnets can be ordered from the Financial Secretary Rick Hodgman, @rickhodgman@gmail.com, you can also get a magnet at the Members Room.
