Tie to Project Based Learning, CTE, curriculum, and National standards.
Utilize the Club for campus catering or fundraising needs
Explore careers in Foodservice, Meat Science, Barbecue, Welding, and Agriculture

PRINCIPALS AND ADMINISTRATORS

Bring families and communities together around the BBQ grill or smoker

Keep kids in school

Create prepared young adults to feed themselves after High School

Highlight at Athletic or District events

Host a District BBQ Pit at transportation that can be checked out

Form community partnerships with the Agriculture, Meat, Welding and Fabrication, and Foodservice industries.

Support Workforce development and careers in the above fields

Use Project Baste (BBQ) Learning and engage adults to judge BBQ, support students, and help fund new programs

Buy a District BBQ pit or have Welding/Ag Mechanics Build it to be stored at your transportation/bus yard.

Use as an extension of Concessions for Campus Athletic events.

Develop a group of young people to serve your community in drastic time(s) – Natural Disaster, serve those in need, feed people, and support groups like Operation BBQ, Mercy Chefs, Disaster Relief, and local soup kitchens.

Host a High School BBQ Event or STATE CHAMPIONSHIP

MENTORS

Teach a group of students and even some teachers

Loan a BBQ rig, pit, and equipment to help a School start

Share your passion and inspire the next generation
