DAR Holds Joint Luncheon, Install 1972-73 Officers

The patriotic red, white and blue of the floral and table decorations in the banquet room of the Wagon Wheel Restaurant, Port Jefferson Station, was the apt setting for the luncheon meeting, Friday, held jointly by the Colonel Josiah Smith Chapter, National Society of the Daughters of the American Revolution of Patchogue and the newly organized Anna Smith Strong Chapter, NSDAR, of Stony Brook, on the occasion of the visit of New York State Regent Mrs. George U. Baylies and other state officers.

Facing a well-attended gathering of members, with Regent Mrs. J. Henry Hamann, Patchogue chapter, and Regent Mrs. William A. Behan, Stony Brook Chapter, seated at either side, Mrs. Baylies, in her address, "Our Values Endure", defined the three-fold meaning of NSDAR—patriotic, historic and educational—and dwelt on the need to work toward maintaining the membership of New York State up to present standards, the highest in the country. She spoke, also, of current DAR activities,

including the gift by members of two standards, one the American flag; the other, the flag of the organization, to guard the doors of Constitution Hall in Washington, D. C.

A highlight of the afternoon was the awarding of 50-year pins to three members, Miss Katherine Davis, Mrs. A. Manners Robertson and Mrs. Willets Gardner, the latter of whom was not able to attend.

Members of Colonel Josiah Smith Chapter installed into office by Mrs. Baylies are: Regent, Mrs. J. Henry Hamann; 1st vice-regent, Mrs. Joseph Kucera; 2nd vice-regent, Mrs. F. Palmer Haff; chaplain, Mrs. Chester Hannan; recording secretary, Mrs. George J. W. Husing; corresponding secretary, Mrs. Richard Bernstein; treasurer, Mrs. Anthony DeVito; registrar, Mrs. Fred Syrett; librarian, Mrs. Charles R. Many, and historian, Mrs. David A. Kassner.

Christian Outreach Effort Unites 100 Denominations

The greatest movement of Christian outreach in the history of North America will climax in 1973, leaders of more than 100 denominations have reported.

It is "Key 73", a "continental call to Christ", that is destined to touch every American home, in every city and town, with action of local churches, Bible distribution or by radio, television and daily and weekly newspapers.

Lutheran, Southern Baptist, Assemblies of God, United Methodist, and 99 more churches have embraced this "mass call to Christian witness and involvement".

A planning session locally will be held at 8 p.m. June 20 in the Emanuel Lutheran Church, Patchogue. Edward Willis is chairman of the planning group.

The overall theme of the program will be implemented in six phases—"Calling Our Continent... To Repentance and Prayer... To the Word of God... To the Resurrection... To New Life... To the Proclamation... To Commitment".

"Key 73 is no bureaucratic program" the executive director of the "Key 73" Central Committee, Dr. Theodore Raedeke of St. Louis, Mo., a Lutheran Church-Missouri Synod churchman, said.

"This massive evangelism program will be focused on local church activities and will not be dominated by any denomination."

"For the first time millions of Christians are working together who have never worked on programs with other Christians before," Mr. Raedeke said.

He said bulletin boards, posters, Bible study, prayer groupings, noon prayer call participation, Bible broadcasts, Easter and Christmas programs will unfold the story of "Key 73" this year and in 1973.

Dr. Joseph H. Yeakel, general secretary of the United Methodist Church's Board of Evangelism, in Nashville said:

"Key 73 is concerned with making every person in North America aware of God's love, and this can happen only through the interest and cooperation of North American Christians who will involve themselves in their own particular form of evangelism now, during this year."

It was in late 1971 when representatives of more than 100 denominations gathered in St. Louis, Mo. After less than two hours of debate, "Key 73" was launched.
