HARVEST BELL FLOWER CSA

A great way to have fresh beautiful flowers on your table all season long is by joining the Harvest Bell Farm CSA. In becoming part of the Community Supported Agriculture (CSA) program we offer, you help us to invest in the coming season, and we give you a personal share of the flowers we grow.

WHAT'S IN A SHARE?

Each week we will create a gorgeous arrangement full of seasonal bounty using flowers, herbs, and foliage we grow or forage from our land. We harvest the freshest flowers from the field, all different colors and varieties, to give you a different design to brighten up your home or business every week. **There will be a range of blooms available through the season, ranging from snapdragons, celosia, yarrow, sunflowers, cosmos, zinnias, and others.** This fresh and local choice will arrive straight from our flower fields, free of chemicals, directly to you for the summer months—and, it makes great gifts for loved ones!

FLOWER CSA OPTIONS

In 2023 we will be offering WEEKLY and BI-WEEKLY share options, running roughly from July to September (10 weeks). The exact start date will depend on the growth of our flowers to ensure that you receive the best quality blooms. You will be assigned pickup weeks by your farmer, and informed of the dates before the season gets underway.

- Weekly Bouquet Share: This share consists of one beautifully arranged bouquet every week of our flower growing season. **10 weeks of flowers for \$175.**
- Bi-Weekly Bouquet Share: This share consists of one beautifully arranged bouquet every other week through our flower growing season. **5 weeks of flowers for \$90!**

PAYMENT

We offer payment in one or two installments, via cash, check or credit card; one installment upon signing up or two installments with ½ down at sign-up and the other ½ 6 weeks into the share. Please make checks payable to Harvest Bell Farm, LLC or pay via Venmo.

Please note: you must read and sign a member agreement before submitting your payment!
