Name of Applicant: _____ Signature of Applicant: _____

*In accordance with Federal and State Laws, the New York City Department of Buildings requires that all applicants for licenses/license holders provide their Social Security Number (SSN). DOB will use the SSN to conduct background investigations and maintain accurate license and related records. This information may be shared with other government agencies, consistent with applicable laws and Departmental policy or with the SSN holder's written permission but will otherwise be kept confidential. The specific statutory authority for requiring SSN's is in the following: Federal Law-Privacy Act of 1974.

ADDENDUM: LICENSE REGULATIONS

License Type	Relevant Regulations
Welder	This license authorizes a NYC licensee to perform manual welding work on any structural member of any building in the City. <i>NYC Administrative Code Section 28-407; Title 1 of the Rules of the City of New York Section 104-11</i>
Site Safety Manager/Site Safety Coordinator	This license authorizes a NYC licensee to ensure construction site compliance with the site safety plan and all safety requirements, as specified in Chapter 33 of the NYC Building Code. <i>NYC Administrative Code Section 28-402; NYC Administrative Code Section 28-403</i>
Private Elevator Inspection Agency Inspector; Private Elevator Inspection Agency Director	This license authorizes a NYC licensee to perform and/or witness Elevator inspections and tests or enter into contracts pursuant to Article 304, Chapter 3 of the NYC Administrative Code. <i>NYC Administrative Code Section 28-424; Title 1 of the Rules of the City of New York Sections 104-01 and 3319-02</i>
Sign Hanger	This license authorizes a NYC licensee to hoist lower or to hang or attach a sign, upon or on the outside of any building or structure in the City. This may include the use of cranes or suspended scaffolds. <i>NYC Administrative Code Section 28-415</i>
High-Pressure Boiler Operating Engineer	This license authorizes a NYC licensee to operate any high-pressure boiler in the City of New York. Excluding the exceptions listed in NYC Administrative Code. <i>NYC Administrative Code Section 28-413</i>
Oil Burning Equipment Installer	Authorizes installation of any type of oil-burning equipment in the City, as an independent contractor with full responsibility for the manner in which the work is done, for the materials and equipment used, and for the control and direct and continuing supervision of the persons employed on the work. Such equipment shall include but not be limited to burners, boilers and generators. <i>NYC Administrative Code Section 28-412</i>
Master Plumber	This license authorizes a NYC licensee to perform and supervise plumbing work, including the installation, maintenance, repair, modification, extension, or alteration of plumbing and related systems, as prescribed in the NYC Administrative Code. <i>NYC Administrative Code Section 28-408; NYC Administrative Code Section 28-401.3</i>
Electrician	Master/Special Electrician: This license authorizes a NYC licensee to perform and supervise the installation, alteration, maintenance or repair of electric wires and wiring apparatus and other appliances used or to be used for the transmission of electricity for electric light, heat, power, signaling, communication, alarm or data transmission. <i>NYC Administrative Code Section 27-3004; NYC Administrative Code Section 27-3017</i>
Master Fire Suppression Piping Contractor	This license authorizes a NYC licensee to perform and supervise fire suppression work, including the installation, maintenance, repair, modification, extension, or alteration or testing of a fire suppression piping system, as prescribed in the NYC Administrative Code. <i>NYC Administrative Code Section 28-410; NYC Administrative Code Section 28-401.3</i>
Concrete Safety Manager	This license authorizes a NYC licensee to oversee concrete operations and related job site safety, as specified in Chapter 33 of the NYC Building Code. <i>NYC Building Code Section 3310.9; Title 1 of the Rules of the City of New York Section 3310-02</i>
Construction Superintendent	This license authorizes the NYC licensee to maintain job site safety and ensure compliance with plans in accordance with Chapter 33 of the NYC Building Code and as specified in Title 1 of the Rules of the City of New York Section 3301-02.
