Hi crafty friends –

October is off to a great start! Last week we made card kits and the harvest garland kit at a kit together, and on Saturday, a group of us celebrated World Cardmaking day – we laughed, crafted, snacked, chatted and enjoyed some wine.

I'm working on scrapbooking kits lately and loving the bright colors and fun designs.

I hope to craft with you soon!

This week order your Paper Pumpkin kit by October 10th, and RSVP for the October 14th kit together. Save the date for my next card buffet on October 24th!

Time to order the 2025 Create A Card Advent kit!

I'm offering something new this year - a kit of 24 different cards so you can make one every day in December while you count down to Christmas. Plan now to give yourself a little creative 'me time' during the holidays. This would also be a fabulous gift for a crafty friend or family member.

The first week of cards will be Christmas themed, the rest will cover birthdays, thank you and other occasions.

I'm taking pre-orders now. There will be a limited number of kits available. A \$10 deposit secures your spot. Contact me at tina@blueberrycanary.com if you'd like a kit which will cost \$75. The kits can be picked up locally or shipped to you for an additional \$10. The kits will be shipped in November.

In the kit you will receive 24 individual packets with the card base, envelope, pre-cut papers and embellishments along with a picture of the completed card and instructions for each. You will supply the adhesives needed to assemble the cards.

An adhesive add-on kit will also be available for an additional cost.

There will be a private Facebook group for those who buy the kits for additional instruction, discussion and sharing your completed projects. I especially love when people kick it up a notch with their own design or added embellishments.
