Where did July go? On one hand it seems like I blinked and it's already August, but then I look back and I have squeezed soooooo much into my summer vacation. I've done crafting and cardmaking with friends, participated in a scrapbook album retreat, been swimming in the pool and the lake, boat rides and fishing, church activities and food & wine with friends. A visit from family, late summer sunsets and fresh watermelon! A lot of great times to scrapbook.

My current mood is captured by this card made with the [Cheers and Sips stamp set](#):
