Product Spotlight

My favorite crafting bag is on sale! Normally \$50, it's on the last chance sale for just \$35. I love this bag because it has a long center spot that holds my paper trimmer, and lots of pockets and pouches for all my supplies that I like to keep together and take with me when I'm crafting on the go. This bag holds A LOT. It is 16 1/2" x 9 1/4"

I also love that it has a shoulder strap AND handles.

If you'd like this tote, let me know right away and I'll order one for you.

It looks like a hot week ahead so I wish you lots of swimming and indoor crafty time with air conditioning,

Tina
