SIMPLE TO CLEAN

The hot plate has an anti-stick ceramic nano-coating. Excess fat runs to the pivoting drip tray.

GOURMET COOKING

With 3 burners and a surface area of 640mm x 480mm, there is plenty of space to cater for family and friends.

NO DRIPS

Cooking juices easily drain away via the patented drip tray system which is simple to remove and clean.

DURABLE AND STYLISH

Made from high grade stainless steel, to complement your décor.

SPACE SAVER

Set up or pack away in seconds maximising your outdoor living space.

ERGONOMIC DESIGN

Wall mounted and folds away when not in use. The lid doubles as a convenient splash-back.
