Sprankle Woods • 340 Riemer Rd., Sarver, PA 16055

KEY DATES & TIMES FOR VENDORS

Set-up: Saturday, May 4 - 9am-Noon Festival: Saturday, May 4 - 2pm-7pm Tear-down: Saturday, May 4 - 7pm-9pm

- 1. **Vendor Space Fee Inclusions.** The snack vendor space fee includes selected space, one 20 amp dedicated circuit to provide basic lights and charging capabilities for phones and equipment, and the rights to advertise/display products and/or services during the show hours, and one Vendor Parking Pass. Designated parking areas will be posted. Vendors must provide their own tent, tables, chairs, displays, extension cords, and surge protectors. Extension cords and surge protectors must adhere to the guidelines established in the attached Vendor Electrical Policy.
- 2. Character of Exhibit. The Vendor agrees to display only new products or services sold in the regular course of business and as described in this contract. Each vendor space must comply with all applicable laws, codes, and ordinances. Vendor spaces shall be dignified in character and, in the judgment of the Show Management, not offensive to the general public. The Show Management reserves the right in its sole discretion to reject and/or remove any vendor or portion of exhibit not in keeping with this rule or purpose of the show.
- **3. Subletting of Space.** A Vendor may not share or sublet any portion of their booth space.
- **4.** Payment for Vendor Space. If payments are not made on a timely basis, Show Management shall have the right to do one of the following: (a) Terminate the Contract; (b) Reduce the size of the vendor space; or (c) collect the contracted amount. Payment is due no later than April 1, 2024.
- **5. Assignment of Vendor Space.** Assignment of Vendor space is the sole discretion of Show Management. Show Management will endeavor to assign space in the order requested or assign equivalent available space. Floor plan and space assignments are subject to change by Show Management without notice to the Vendor.
- **6. Signs.** Except with the permission of Show Management, all signs shall remain within the Vendor's space, and must be designed and constructed so as not to detract from the adjacent exhibits.
- 7. Motorized Vehicles. Absolutely no motorized or self-propelled vehicles will be permitted on the grounds after two hours before Octoberfest is open to the public, unless explicitly approved by Show Management. Appropriate exceptions will be made for those requiring ADA assistance.
- **Electrical Service.** All snack vendors will be provided with one 20 amp dedicated circuit. All Vendors must list each piece of equipment they intend to use in their booth on the attached Vendor Application. This includes but is not limited to: cell phone chargers, POS systems, lights, heat presses, etc. Any equipment listed must have peak amp draw listed. Any Vendor who does not know the amperage of their equipment must list the manufacturer and model number of the equipment to be used. Vendors must supply their own 12 gauge outdoor rated extension cords. All Vendors agree to the attached Vendor Electrical Policy, including the Extension Cord and Surge Protector Policy. Any extension cords or surge protectors found to be out of compliance with the policy will be confiscated and held until the end of the event. A policy-compliant extension cord can be provided to any Vendor for a fee, should they need one for the event. All services, equipment, electricity, furniture, or furnishings provided to the Vendor shall be paid for by the Vendor and shall normally be obtained through the personnel designated by Show Management. Every effort will be made to get power as close to the Vendor space as possible. However, for all 20 amp circuits and lower, power is only guaranteed within 100 feet of vendor spaces. Electrical cords may not be run along the ground in the customer traffic walkways. Electrical service may be upgraded for an additional fee at

2024 SNACK VENDOR RULES & REGULATIONS

All Rules & Regulations listed herein apply to Holy Pursuit's Dream Foundation Adventure Raffle. The following Rules & Regulations will govern the Adventure Raffle and are made a part of this contract for exhibit space between Sprankle Event LLC ("Show Management") and the person, partnership, or corporation ("Vendor") engaging space.

- the discretion of Beamer Electrical Contracting depending on equipment listed in Vendor Application.
- 9. Insurances and Liability. General Liability coverage and property insurance is strongly encouraged and must be obtained at Vendor's own expense. Neither the Show Management, its affiliated officers, directors, agents, representative and employees will be responsible for any injury, loss or damage that may occur to the Vendor or the Vendor's employees or property from any cause whatsoever, prior, during, or subsequent to the period covered by the vendor contract, and the Vendor upon signing the contract expressly releases the above-named entities and individuals from any and all claims for any and all loss, damage or injury whatsoever. General Liability insurance is recommended to be procured by the Vendor for the benefit of itself and the Show Management prior to the show. Vendor items and vendor equipment are brought onto the show grounds, maintained, and removed from the show grounds at the Vendor's risk.
- 10. Security Limitations of Liability. Show Management will engage security service prior to and during the show hours. Show Management assumes no liability for loss or damage from any cause whatsoever. Vendor understands and agrees that security personnel are independent contractors and that any such security is provided by Show Management solely as a courtesy.
- **11. Dispute Resolution.** Any and all matters, questions, and/ or topics not specifically discussed or addressed herein shall be subject to the decision of Show Management, whose decision is final.
- **12. Amendments.** Show Management shall have the full power to interpret these rules. Whatever these rules do not cover, the Show Management reserves the right to make such rulings that may appear to be in the best interest of the show, and the Vendor agrees to accept and abide by such rulings.
- **13. Breach of Contract.** If Vendor cancels, for any reason whatsoever, after signing a contract, they shall be held liable for the full amount of the booth cost. Vendor shall also forfeit all fees that have been paid to reserve space and be liable for the full cost of the space. NO REFUNDS WILL BE ISSUED. Show Management reserves the right to use the space as it deems necessary to eliminate blank spaces in the show.
- **14. Termination.** Show Management reserves the right to terminate Vendor's rights under their contract in the event of violation of this contract by the Vendor and retains all amounts paid in addition to any other remedies.
- **15. Cancellation.** In the event the show is not held or canceled for any reason beyond the control of Show Management, Show Management will return to the Vendor all monies paid for space rental within a 30-day period. Show Management shall not be responsible for any additional rental or fees paid by the Vendor to the other vendors or contractors in the event of any show cancellation.

GENERAL RULES FOR ALL VENDORS

- All vendors must list each piece of equipment they intend to use in their space. This includes, but is not limited to: cell phone chargers, POS systems, laptop chargers, lights, monitors/screens, vinyl cutters, heat presses, refrigerators, cookers, etc.
 - Any equipment listed must have peak amp draw listed. Any vendor who does not know the amperage of their equipment must list the manufacturer and model nuber of the equipment to be used on their Vendor Application.
- Every effort will be made to get power as close to vendor spaces as possible. However, for all 20 amp circuits and lower, power is only guaranteed within 100 feet of vendor spaces.
- Vendors are welcome to provide their own power via gas generator or electric battery pack. Vendors wishing to use
 a gas generator must note on their Vendor Application if they intend to do so. Gas generators may not be able to be
 placed directly next to vendor spaces depending on vendor location, but will be able to be placed within 100 feet of
 vendor space.
 - The below Extension Cord and Surge Protector Policy must be followed regardless of whether or not vendors provide their own power.

NON-FOOD (CRAFT & SNACK) VENDOR ELECTRICITY

- All craft vendors will be provided with one 15 amp shared circuit to provide basic lights and charging capabilities for cell phones and light-duty equipment.
- All craft vendors who plan to utilize a heavy-duty piece of equipment (i.e. vinyl cutter, heat press, etc.) must upgrade to a 20 amp dedicated circuit for an additional fee (to be determined by our designated electrician, Beamer Electrical Contracting).
- All snack vendors will be provided with one 20 amp dedicated circuit to provide basic lights, charging capabilities for cell phones and equipment.
- Snack vendors may be upgraded to one 30 amp dedicated circuit for an additional fee at the discrection of Beamer Electrical Contracting depending on the power consumption of their equipment.

FOOD VENDOR ELECTRICITY (TRUCKS, TRAILERS, AND TENTS)

- All food truck and food trailer vendors will be provided one 50 amp 240 vac dedicated circuit.
- All food trucks and trailers must have an additional form of overcurrent protection built in, such as a circuit breaker box.
- All food vendors operating out of a tent or any other non-truck or non-trailer type of establishment will adhere to the same power consumption rules as food truck and food trailer vendors.

EXTENSION CORD AND SURGE PROTECTOR POLICY

- All vendors agree to the Extension Cord and Surge Protector Policy of Sprankle's Events. Any extension cords or surge protectors found to be out of compliance with the policy will be confiscated and held until the end of the event. An approved extension cord and/or surge protector can be provided to any vendor for an additional fee, should they need one for the event.
- All non-food vendors must use a minimum of a 12 gauge outdoor-rated extension cord (with a recommended length of at least 100 feet).
- All surge protectors in use must have no more than 6 NEMA 5-15r receptacles. The number of USB ports are unlimited.
- Surge protectors must have a minimum 14 gauge wire.
- Surge protectors must have a minimum surge rating of 1000 Joules. Any surge protector with an interrupting rating of less than 1000 Joules will be considered a standard "power strip" and will be confiscated until the end of the event. An approved surge protector can be provided to any vendor for an additional fee, should they need one for the event.
- Extension cords reaching from food trucks/trailers to power distribution panel must be properly rated for the requested amp draw:
 - All extension cords for 20 amp circuits or less must be 12 gauge
 - All extension cords for 30 amp circuits must be 10 gauge
 - All extension cords for 50 amp circuits or greater must be 6 gauge
- See next page for recommended extension cords and surge protectors.
