

## **2000 International Pay Star 5000 Tri-Axle Dump - \$27,500**

**Color: White and Red**

**Engine: C12 CAT (Single Turbo) | 18-Speed Transmission**

**GVWR: 33,100 lbs.**

**VIN: 1HTTGAXT1YJ005022**

**Info:**

20,000lb. Front Axle | 20,000 lb. Lift Axle (9' 5" Spread – 18 Ton legal capacity) | 46,000lb Rears. Note the double frame below the cab had rust and had been patched in the past. It worked for years like that, however, we did not like the condition of the box. We had the frame professionally re-sectioned w/ new 8' double framed walls, and something we would not need to be worried about. This truck hauls as much weight as a quad axle truck. Newer Steel Box – 19' Long × 88" Wide. Truck ran and worked well.
