Rescue 1: VOC Rescue 1

Rescue 1 is a crane boat complete with Stretcher and lifting equipment. Rescue 1 is supplied with all safety gear and incorporates flashing red beacons for use in a Red Flag situation. It is skippered by a VOC member who has been trained in the operations of the winch and lifting baskets. Club will be required to provide an additional crew member (Paramedic/Diver are not considered a member of the crew as in a rescue situation they will be focused on the patient). **MAX passengers 4**

Rescue PWC:

PWC is a Seadoo RXP255 and is ideally suited for rapid diver response, vessel towing or exclusion zone. It may be used by external operators subject to VOC authorisation.

Fees per day or part thereof:

Boat 1 day - \$550.00

Boat 2 day - \$880.00

Jetski 1 day - \$330.00

Jetski 2 day - \$605.00

Note: Costs include transportation to Victorian events on the calendar, events further afield will be considered and a few for additional towing, accommodation etc will be advised.

The VOC cannot guarantee availability of craft or crew in all circumstances so please book early to avoid disappointment.

Payment due 14 days post event: an Invoice will be emailed for payment to the contact listed above on receipt of this form

Please return this form at least 14 days prior to your event to: vocsecretary@gmail.com
