Orders: Wedding and large orders must be made at least three months prior to your event date. A \$100 deposit reserves your date and is non-refundable (however, this is applied to the total cost of the cake). Eight weeks prior to the event 50% of the total price is due. The final balance is due three weeks prior to the event. Be advised: pricing of cake could increase due to inflation of ingredients.

Cancellations and Refunds: If you need to cancel your order, the following refund schedule applies-

90 days or more before the due date you will receive 100% refund minus the \$100 deposit.

30-89 days before the due date you will receive 50% refund minus the \$100 deposit.

29 days or less before the due date, there is no refund.

Payments: Payment due by cash or check. Credit cards accepted with 3% fee.

Pick Up and Delivery: Pick up and deliveries are scheduled by appointment. Most wedding and some large cakes will require on site set up. The set-up fee is \$25 in addition to a mileage fee of \$.60 per mile. I am not responsible for any damage to the cake after set-up is complete. NOTE: You are responsible for providing an appropriate and secure table and environment for the cake. Large cakes are very heavy and require a sturdy table and optimal room temperature of 75 degrees or below.

Equipment Details: A security deposit is required for loaner equipment such as cake stands or large support boards. The security deposit is due at the time of final payment to ensure safe return of the equipment. The deposit will be refunded when the equipment is returned in its original condition no later than one week after the event date.
