

ΣIB Keigan Baker MEMORIAL

The Keigan Baker Memorial Fund is a non-profit organization that was formed in memory and honor of A1C Keigan J. Baker who gave his life in pursuit of his dream to serve and protect the United States of America.

The intent of this organization is to contribute funding to persons focused on the education, training and support of United States Special Operations Forces (SOF). The Keigan Baker Memorial Fund will achieve its purpose through the development, implementation and maintenance of programs and partnerships that help mentor and train individuals with the desire, drive and ability to achieve the SOF level within our U.S. military.

Currently, the Keigan Baker Memorial Fund is honored to be teaming up with @SocomAthlete to provide scholarships to students attending their training courses. SOCOM ATHLETE is the #1 resource for special operations career preparation, providing discussion forums, advice, connections and prep courses for individuals wanting to pursue careers in U.S. Special Operations Forces.

Thanks to the support of Keigan's family, friends and military brothers and sisters, we have been able to build a great platform on which to carry forward Keigan's legacy. We are excited to progress development of Keigan's non-profit program as we continue to honor his service through the support of vital programs and individuals focused on serving this great country...specifically those willing to sacrifice their blood, sweat and tears for our freedom and the United States of America.

To learn more about this non-profit, visit our website at KeiganBakerMemorialFund.org. We encourage you to join our Facebook Group (Keigan Baker Memorial) & follow us on Instagram (@KeiganBakerMemorialFund). You can also email us directly at KeiganBakerMemorialFund@gmail.com to request more information.
