1880 CLEARFIELD COUNTY CENSUS INDEX

**Compiled and Owned by
JOHN M. CASEY
Fairbury Illinois**

Before Using read the following.

1. Every effort was taken to insure that the Names were copied as they were written on the Census Sheet.
They were checked again as they were typed into the PC.
2. There may be some Given Names that may seem to be misspelled, and generally this was due to the Census takers way of spelling. Some common examples are Alice...Allice (2 l's), Michael.....Michel (left the a out), Stephen.....(hen, han).
3. Some variations are due the listed Family's apparent personal preference.
4. Some Census Takers handwriting left a lot to be desired. There are cases where the Surname was not totally readable. Blank spaces where used in place of the unreadable
5. Pages 174a to 180b, 181b, 182a, and 185b were totally unreadable and are mentioned here. Other pages in area of 174a to 185b were partly readable and were copied.

This Index may be copied for your personal use and is not to be sold by anyone other than the Owner .

Here's your copy of the CLEARFIELD COUNTY 1880 Census Index which I have compiled from my 1880 Clearfield County Census CD by Heritage Quest. I have tried to make it as error free as possible, but some mistakes have crept in. If you discover any misspellings or think that a name has been omitted, please let me know and I'll recheck the original CD and my copy notes.

Below is a list of errors or omissions discovered so far. Also, as suggested by a Book Owner, is an index to show what pages are covered by a given Twp. I'll keep a running list of mistakes so you can always check your book.

1. Missing names- page 332a... Boalich, F. and - 340a... Boalich, T. F.
2. Change name- 404a ... Wood, John to 404a... Wood, Jehu
3. Change name- 399a... Gallahan, William to 399a... Gallaher, William
4. New Page 31 and 31a..... Page 31a was omitted completely
5. New Page 87 and 88..... The columns on these pages were mixed up.

Best regards

John
