Subject: RE: LaJose cemetery

Hi Sue -- thanks so much for getting back to me. I am interested in Andrew Barrett, his son Luther Barrett, Luther's wife Margaret Barrett, and any other Barretts in the old section of the cemetery who would be Andrew's sons and their spouses and children. I am intersted in the dates on the stone also if that info is available.

Thank you once again for your help, I really appreciate it.

 Nathaniel was the father of fifteen (15) children, there was no separation as to the first and second wife's children. However, it also should be noted that the first wife died in December 1799, one month after the birth of the twins, and that there was a child, Noah Benson, born in the year 1801, was given the name Benson, the second wife's surname, so this should mark the separation of the two family groups.
