# **A CELEBRATION OF ARTS IN BENICIA**

### **Introducing Experience Benicia Arts!**

This year, the Benicia Art Walk has transformed into **Experience Benicia Arts!** Featuring innovative mashups of performing and visual arts, this new exciting event promises an entertaining day for both locals and visitors, patrons of the arts and newbies. What exactly is an art mashup? It's the creative pairing of different art forms—such as sculpture and dance, slam poetry and painting, or music and ceramics—resulting in thought-provoking and entertaining experiences.

### **Explore Diverse Galleries**

Throughout the day, 14 Benicia galleries, Benicia Library, and Arts Benicia will showcase a variety of exhibitions. Attendees can look forward to live demonstrations by local artists, engaging exhibitions, and opportunities to interact with talented creators. Each gallery will host a performance—be it dance, music, or poetry—reflecting a single piece within their collection.

### **Live Music Performances and Theatre**

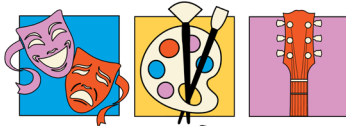

Enhancing the festive atmosphere, street musicians will perform at various locations throughout the event. Their music will fill the air, creating a perfect backdrop for the Experience. Adding a layer of fun to the event, Experience Benicia Arts invites adults over 21 to learn about Art Masters from Post Impressionist to famous Benicia artists at **A Sip of Art History**. Meet Toulouse-Lautrec, Robert Arneson, Frida Kahlo and others while enjoying the artists favorite beverage.

### **Free for All to Enjoy**

Experience Benicia Arts is free and open to the public. Ample free street parking is available on and around 1st Street, as well as in the parking lot at Arts Benicia. A trolley will operate during the event, making multiple stops, including Arts Benicia. This service ensures that the event is accessible to individuals and families of all ages.

Whether you are a seasoned art collector or simply looking for a delightful cultural experience, Experience Benicia Arts promises to captivate and inspire. Join us in celebrating the vibrant artistic community that Benicia has to offer!
