Mission Statement

"Be a Stallion!"

STALLION EXPRESS

The Stallion Express mission is to: (1) acquire the best and most profitability freight; (2) provide safe and timely transportation of said, booked freight; and (3) be the most reliable source of freight transportation in the U.S. by providing the best in quality OTR (Over-the-Road) services.

We are a service based organization and a national provider of transportation and logistical solutions. Our myriad of carrier training and freight networking tools are the golden keys to the continued success and growth we offer as a motor carrier operating on our nation's highways. Our current business model is focused on OTR logistical operations and spot-market focal points.

Our Promise to all:

- *We promise to serve our customers who expect timeliness and professionalism in the transportation services acquired.*
- *We promise to serve the drivers who lay it all on the line daily to transport and deliver the goods we all depend on to enjoy the comforts of modern life.*
- *We promise to serve the trust of the general public.*

Be a part of our mission and **Be a Stallion!**

Sincerely,
